Hi Tom,

I was speaking to my counterpart at FLNRORD (cc'd here) and it seems a good way to proceed on this mandate commitment is for AFF and FLNRORD to develop a joint BN and then brief MoS Cullen and PS Donnelly and the respective MOs.

Does that make sense and if so can you please advance?

Best, Sam

Bottom line is that we can be involved but you should run by Lori.

Hi Lori

My MO is looking to see how to proceed with you on the development of the CMS. Has there been any work done on scoping what this will be? I suspect at some point we will want to brief MoS Cullen and PS Donnelly but interested in your thoughts on how best to proceed. Thanks.
