Hi Shawna,

The Policy and Leg shop is flat out and can not support short information requests. I have been trying cover some of the ALC matters.

I had provided a copy of this updated MAC report to Kelly earlier this week along with suggestions for revision on the dashboard.

Pls send enquiries to me or Ardice for the next month rather than to Arlene and we will see how we can help.

Thanks

JLM

Hi Arlene:

Is there an updated version of the attached report that I can provide for the ALC's meeting with Minister tomorrow?

Thank you.
