Hi Aime,

I was just now able to have a conversation with the right person within the Ministry of Finance. He confirmed that Farmers and Womens institutes, as incorporated or continued under the *Farmers and Womens Institutes Act*, are exempt from the need to file a transparency report with the Land Owner Transparency Registry. Salmon River Farmers Institute therefore does not have to file a transparency report.

Chris

Hello Chris,

I received a call from a new resident, not a member. Their garden plants started growing last spring, then just stopped growing and pale looking.

I told him lack of nitrogen. Do a soil test, add fertilizer, organic matter and water. Sunshine, nature will do the rest.

I have and will help regardless if a member or not.

Dear Aime:

Hi Aime,

Farmers' Institutes are incorporated or continued under the *Farmers and Womens Institutes Act*. Institutes under the *Farmers and Womens Institutes Act* are not listed by BC Registry Services. Under the Act, **Section 2** *This Act applies to an existing institute incorporated under the Society Act, or incorporated under an Act repealed by the Society Act, as if the institute had been incorporated under this Act.*

Consequently, all institutes which existed prior to 1956 were then deemed to be continued under the *Farmers and Womens Institutes Act* and no longer under the *Society Act* (or any of its subsequent iterations). That's why BC Registry Services lists them dissolved as of 1956 – that's when they were essentially transferred to the *Farmers and Womens Institutes Act*.

The letter I provided you confirming Salmon River is in good standing under the *Farmers and Womens Institutes Act* is the mechanism we have of confirming an institute exists and is in good standing under the legislation.

Feel free to pass my contact info along to Winnie Tam if she has any questions about the above.

ANNUAL REPORT FILING

The Superintendent of Farmers' Institutes is updating records and reconnecting with active Farmers' and Womens' Institutes that may be currently not reporting. The last report on file by the institute registered with the Ministry of Agriculture as "Salmon River Farmers' Institute" was 2011 for the fiscal year ending December 31. If you are no longer affiliated with this institute please let us know if you have any information with regards to its' current status and/or contacts.

The *Farmers and Womens Institute Act*, under which this Farmer's Institute is incorporated, requires that institutes hold an annual general meeting not later than three (3) months after the end of the fiscal year and file an annual report with the BC Ministry of Agriculture within seven (7) days of the annual general meeting. Most institutes use the calendar year as their fiscal year, if yours is different please let us know so we can ensure that our records are accurate.

If annual reports have not been filed within the last three (3) years, the institute may be disbanded and struck from the records of the Ministry. This could have legal and financial implications for the institute if there is property and /or other assets registered in the institutes' name.

In order to remain in good standing, you must file an annual report for the year 2012 by May 31, 2013. Attached is a copy of the double sided Annual Report Form.

For further information or to request an electronic form to file please contact **Sue Gordon** at (250) 746-1210, by e-mail sue.gordon@gov.bc.ca or write to:
