Hi Jennifer,

Could you please answer a few questions for me? What time is the workshop and for how long? Is there a role for the Minister, if so what would that role be and what time would you expect him to attend? Do you have an agenda or itinerary for the workshop that you are able to share with me?

His day on June 23rd is getting full, however, if you would provide me with the above information that I could go back to the Minister with, that would be great!

Regards,
Connie Roberts

Good afternoon Connie

Ideally we would like to have Minister Rustad speak or be present at start of the workshop – 10:30 AM.
If the Minister could provide some thoughts on the growing involvement of First Nations in the guide outfitting industry. Today 16 First Nations own guide territories and many more First Nations are employed as guides and wranglers.

Attached is the overview document for the event.

If there is anything else I can be of assistance with please do not hesitate to ask.

Sincerely
