Subject: RE: PCCC - Update

Hello Paula, the following five candidates have been contacted and have agreed to serve on the council. They are filling out the Candidate Profile and Declaration (CPD) forms and returning them to us. Danielle Kavadas has drafted the Minister's Orders and they are ready to go once we receive the CPD forms.

The candidates were wondering about upcoming meetings, if the intent is to have them attend the meeting in October then someone should contact them with the meeting information so they can make arrangements to attend.

Christine is looking into this.

As discussed this is what the candidate agreed to when she accepted the appointment. You can provide this to the Chair of the Board.

Hi Paula, the Ministry will be discussing with the minister a recommendation that the current membership of CPC be put forward for another term until the next AGM. These are the individuals whose terms expired at the end of June 2017. If she wants to make any changes to CPC then this would be an opportunity to do it. The current members are:

Robert Lee Doney
John Timothy Stanley
Gregory Stephen Deck
Lillian Margaret White
Rick Jensen

If she wants to make changes to the Columbia Basin Trust she can make them now or Rick Jensen's term expires on Dec 31 2017. Changing the Chair now requires an Order in Council to rescind the current chair and appoint a new one. If she appoints a new Chair she could direct the Chair to make an assessment of the Board and get back to her with any recommendations for change.

Thank you very much Lynne. I will make sure the Minister briefs her colleagues and the PO before they are sent to the OIC office.

Christine perhaps we can chat about that timing, and about proceeding with the MOs generally? I will also speak to Karen about communications regarding the Childcare Council meeting and the new members who will be joining for those meetings. Paula

Hello Paula, All five of the candidates for the PCCC have returned there Profile and Declaration forms, there are no issues of concern. You can proceed with the Ministers Orders. Not sure if you were planning on doing any communications on these appointments. The Ministers Orders do get posted on the BC Laws website, once they are sent to the OIC office by your ministry. Also if you haven't already I would have the Minister brief her relevant colleagues on the appointments and the PO.

Yes, the Chair has been in touch with the departing members – he did a call around to all members to ask interest in continuing s.22 the other was not reachable at that time and has since been contacted. Thanks for following up, Paula
