Thanks. I understand the relationship. Just wanted to flag for you that Nic won't have a chance to be briefed on this one. R.

Hi Roseanne, we are being briefed tomorrow about the RCY report that is coming out (next Thursday I believe). I am glad Caucus is now getting briefings directly from the RCY, that is great. So you know though, the Ministry doesn't have any formal relationship with the Select Standing Committee of Children and Youth as that is a legislative committee that is formed as part of the Act that created the independent Representative's Office. The ministry will sometimes be asked to present to the Committee but it is not "our" committee and, in a way, is the opposite as both the committee and Representative are independent of the ministry

I am happy to discuss this more, if this doesn't make sense. Paula

Hi Paula. Just wanted to share this with you. It sounds like a report release is scheduled for next week. As you can see from below, the Representative's office will be able to offer briefings for government caucus in future, which is great. In terms of next week, I am hoping that you can connect with Nic Simons who will be the Chair of the Child and Youth committee, which will likely be constituted next week as well. Thanks. Roseanne.
