Hi Edena –

Sending to you for advice on whether this is an event MKC should attend. She wouldn't be able to attend on the 12th as she will need to be in Victoria that day, but could possibly attend the morning of the 11th?

Let me know!

Subject: Invite- Opportunity is Knocking - ILMA 2018 Convention

Dear MLA Conroy,

The Interior Lumber Manufacturers' Association is holding our annual convention this year at the Revelstoke Mountain Resort on June 11 & 12. We would like to officially invite you (along with senior staff) to attend on behalf of your region.

As you are aware, the ILMA is comprised of small and mid-sized, family-owned, and independent companies across the southern interior, from Merritt to Midway to Grasmere and all points in-between. In addition to our 12 Member companies, we also have more than 100 Associate Members, in industries ranging from silviculture, software development, harvesting, trucking and more.

This year, we're excited to welcome Premier John Horgan as he delivers a keynote address. Forests Minister Doug Donaldson will provide a detailed update about his Ministry's vision for the future and the processes needed to get there.

Of particular interest to local elected officials will be our special guest keynote presentation from Doug Griffiths, former Alberta MLA and Minister, and author of the book "13 Ways to Kill Your Community". Doug has turned the book into a fascinating series of presentations about strategy, change leadership, community development, and more. Visit www.13ways.ca to learn more.

Our members represent \$112-million in payroll for more than 1500 employees in your communities. The ILMA is comprised of small and mid-sized, family-owned, and independent companies across the southern interior, from Merritt to Midway to Grasmere and all points in-between. In addition to our 12 Member companies, we also have more than 100 Associate Members, in industries ranging from silviculture, technology, harvesting, trucking and more. Our convention theme is 'Opportunity is Knocking', and we will have presentations about the

challenges and opportunities facing the independent, family-owned companies like ours in the forest industry, including technology, value-added production, and more.

The event will begin on Monday, June 11 with your choice of an optional 9-hole golf tournament, or a hosted x-country mountain bike ride. The convention officially opens on the evening of the 11th, and will be wrapped by 3:30 p.m. on Tuesday the 12th.

Due to the anticipated demand for this event with our three keynote speakers, we require an RSVP as there is limited seating.

To register, visit our website, www.ilma.com, and click the 'Convention 2018' link. When you select your category of ticket ('Local Elected Official'), be sure to click the link at the top of the page to enter your promotional code. The code **Government** will apply a 100% discount, giving you a free delegate pass for convention rather than the \$300 full-price fee. A block of hotel rooms has been set aside at the Sutton Place Hotel (1-250-814-5000), under the group name "ILMA". Rates start at \$169, and are available for dates both immediately before and after the convention if you would like to stay and enjoy some of the great hospitality and tourism opportunities that Revelstoke has to offer.

We look forward to seeing you in Revelstoke, and if you have any questions, please feel free to contact our event planner, Judith Barnaby, directly at 250-858-3466, or

Thank you for connecting with me regarding Minister Katrine Conroy's attendance at our conference. We are so thrilled that she is able to join us.

I have copied the conference schedule below, and highlighted the times that Minister Conroy will be in attendance, should her time permit. It would be lovely if she could welcome and speak to the delegates at 6:30 as a part of the formal opening.

The audience is mostly West Kootenay and interior region early childhood educators, with a mix of other early years professionals (supported and infant child development, early years coordinators, kindergarten teachers, Strong Start and family literacy coordinators). Elaine has confirmed that Minister Conroy and Paula Gunn will be joining us for the banquet dinner. We are happy to have both of them with us for as long as their schedule permits.

Please let me know if there is anything else that you need, or anything that I can prepare or coordinate for Minister Conroy.

Thank you very much for getting in touch.

Thank you for your email. I will put another request in to the Victoria staff to find out if they have made a decision yet as to her availability on that date. Subject: RE: Invitation to Welcome the 2018 West Kootenay Early Years Conference May 25, 2018

Hi Alison:

I am still in a holding pattern waiting to get an answer back from the Minister's office. I know they are overwhelmed with work, so as soon as I hear anything either way I will let you know. I know she has multiple meetings for that weekend so will have to see how they can juggle.

Cheers,

Hi Elaine,

Thank you for staying in touch with me – I really appreciate how responsive your office has been! Yes, ideally Katrine would be the person who formally opens the banquet in the evening and welcomes the conference delegates. She would not be expected to speak for very long and we would love to host her at our banquet dinner – but only if that works for her schedule.

It is a great time to celebrate the early years sector with her, if possible 😊

Sincerely,

Alison

Good afternoon, Alison:

I am sorry it has taken so long for me to get back to you and I still have no definitive answer for you. One thing I have been meaning to ask is whether Katrine would be expected to speak at the event or not? I am still waiting to hear back from Victoria whether she can go or not but thought I should also let them know if she is expected to speak.

Subject: Invitation to Welcome the 2018 West Kootenay Early Years Conference May 25, 2018

Importance: High

Dear Honourable Minister Conroy,

Being a former ECE, you may well know the history of the West Kootenay Early Years Conference as an important biennial event in the West Kootenay region. Our 2018 conference will be held at Mary Hall, in Nelson, on May 25-26, 2018. Our conference theme is *"Growing a Culture of Professionalism"* and, especially given your inspiring professional path, we would be deeply honoured if you were available to welcome our early years delegates.

The West Kootenay Early Years Conference has a long history of supporting the early years sector with high quality, locally accessible, professional development for our early years professionals, educators and administrators. The conference provides a forum for networking and learning opportunities that strengthen the early childhood care and education practice of our professionals. These professionals, educators and administrators are responsible for the programs and services that create a network of learning, inspiration, healthy development, creativity - and so much more, for the children and families that they support. They are not only building community for children and families, but upholding a standard of education, care and professionalism within themselves, the region and the early years sector. We expect approximately 170 early years professionals from the West Kootenay and Interior region to attend this conference.

We would like to invite you to celebrate our early years professionals by welcoming them to the community of Nelson, at our conference banquet on Friday evening. Our banquet schedule is as follows:

Friday, May 25: 5:00 – 10:00 pm

5:00 – 6:00 Social & Drinks

6:00 – 6:30 Conference Opening – Welcome & Acknowledgements

6:30-7:30 Dinner

7:30-8:30 Dessert with ECE Award Presentation Award presentations - Exceptional Early

Childhood Educator & Family Childcare Provider Awards

8:30-10:00 Entertainment

We would be most honoured by your attendance and look forward to hearing from you.

Sincerely,

Alison Salo

I am writing to get some assistance in setting up a meeting with Selina, Judy and Kat while the house sits in May. I will be coming to Victoria in my capacity as Director of Programs and Services at SHARE along with our CEO Clair MacLean to provide information about the social services we provide in the Tri-Cities and our needs from a broader Community Development lens.

I can appreciate how hard it is to coordinate the Minister's schedules so we are hoping that by us travelling to Victoria for a day it would make it easier to accommodate. I am happy to provide any other information you may need; please feel free to give me a call if necessary.

Thank you so much for your help!

Dear Minister Conroy,

The well-being of our children is essential to the well-being of our communities and we all benefit from working together for their future. This year we are celebrating more than 9,500 children in the province of British Columbia who have benefited from the deep learning that happens in both Roots of Empathy and Seeds of Empathy programs. Since first arriving in the province in 2000, over 155,000 children across all five health regions have taken part in the experiential learning that is unique to our social and emotional learning program. Everyone involved in Roots of Empathy and Seeds of Empathy, from the Instructors, to the families, to the classroom teachers and their students take their learnings with them, positively impacting their communities as they do.

Our annual Baby Celebration will be held on Friday April 13th at 3:30 pm at Creekside Community Centre in Vancouver and it would be wonderful to have you there to celebrate with us. It's about more than our Tiny Teachers, it's a celebration of all of our volunteers and supporters and a way to thank you for your continued commitment to the long history Roots of Empathy and Seeds of Empathy in BC.

I would be honoured if you could join us.

Hoping to see you there,

Good morning Margot –

I am emailing on behalf of Minister Katrine Conroy and Minister Katrina Chen in regards to a letter sent in March from yourself and your colleagues.

I apologise for the delay in responding to your letter. I'd be happy to set up a meeting with you, your colleagues, and the Ministers for late May in Victoria. Unfortunately, their schedules are both incredibly busy until the week of May 28th, and I am unable to commit them to a meeting in Vancouver at this time.

Please see date/time options below for this meeting. If you can please let me know which works best on your end, that would be greatly appreciated.

May 28th - b/w 11:00am and noon, and 4:30pm and 5:30pm

May 29th – b/w 11:00am and noon

May 31st – b/w 4:00pm and 5:30pm

Just to note... in the booklet Minister Conroy's name is listed incorrectly. Her name is Katrine Conroy, and it is listed as Katherine Conroy.

If you are able to make that change before printing these for the day that would be greatly appreciated!

Good morning, Emily!

Thank you for your reply. This is so great!

The program is pretty close to being filled and we have an opportunity for Minister Conroy to share some words with folks over lunch from 1.00-1.30pm on May 3rd. Is this a possibility? Minister Conroy is welcome to join us for lunch, too. Do you know how many people will be attending with the Minister (so we can factor for lunch numbers)?

Looking forward to hearing from you soon!

With gratitude,

Hi Meredith –

Thank you for sending that along. Minister Conroy is looking forward to attending.

In regards to timing for the day, the Minister would like an opportunity to mingle with attendees before she speaks. She has an event in the morning and is able to arrive at 12:30pm for the beginning of lunch. Please let me know if this works well on your end.

I have attached a photo, and the bio for the Minister is as follows:

Successful in both community and career endeavors, Katrine has enjoyed careers as one of B.C.'s first female power engineers, as an early-childhood educator, administrator and college instructor, and as a small-business person. Katrine has served as MLA since 2005 in the area of Kootenay West.

Katrine has worked and volunteered in her community as the executive director of Kootenay Family Place, instructor at Selkirk College; co-chair of the Castlegar and District Social Planning Council, treasurer of the Regional District of Central Kootenay Community Futures Board and founding board member of the Community Social Services Employers Association.

With her husband, Ed, Katrine lives in Pass Creek outside of Castlegar, where they run a successful ranch, breeding purebred Polled Hereford cattle. Together they have raised four children, and have nine grandchildren.

Please let me know if you need anything from me further.

The ECEBC Conference is being held at the Vancouver Radisson Hotel located at 8181 Cambie Road in Richmond.

The open ceremony is Friday, May 4, 2018 at 8:30 beginning with an indigenous welcome. The Panel & Discussion will be 9:00 to 10:00 am after which there will be a break. From 10:30- 11:15 we will host a Post-Panel Discussion. Delegates are invited to dialogue after the panel. Through facilitated dialogue, participants will share their thoughts with ECEBC and other provincial organizations and stakeholders. All the Ministers are invited to attend and participate.

Hello Emily,

This is wonderful news for ECEBC and for our delegates. I know there will be much curiosity to governments direction and how the changes will impact them in their own community. I have included Christine Buttkus, ECEBC Conference Coordinator, in this email as we prepare the structure for this dialogue at conference.

Warm regards,

Emily

Good morning Emily –

I hope you had a great Christmas, and wonderful New Year!

I know that I reached out in December to note that I wouldn't be able to confirm Minister Conroy and Minister Chen's attendance at the ECEBC Conference until the New Year.

I apologise for my delay in getting back to you. I would like to confirm both Minister Conroy and Minister Chens attendance at this conference. I understand from the original attached invitation that the date you were looking for their attendance was May 4th? I can confirm that Minister Chen will be able to give remarks at this conference, if desired. Minister Conroy may also be able to give remarks but I will need to confirm that at a later date.

Please let me know if you have any questions; and if you could provide any further details on the event, that would be greatly appreciated.

Thank you kindly,

Good morning Emily,

Further to my message below, I'm inquiry about the speaking invitation issued to Minister Conroy to attend and present at The Federation's June 21st, 2018 Conference in Penticton, BC.

I understand from our Executive Director, Rick FitzZaland, that Minister Conroy needed to confirm that she had no scheduling conflicts on that date and then would get back to us. I'm wondering if any decision has been made?

Although we are awaiting confirmation from Minister Conroy and some of our other invited speakers, I've attached a draft, placeholder only, agenda for your information. We have tentatively set aside a 60 minute (10:30am – 11:30am) timeslot for a presentation/Q & A with Minister Conroy but could adjust easily adjust the actual presentation time to suit her availability.

If you could get back to me with confirmation or even an update by end of this week, it would be appreciated. I look forward to your earliest response.

Good morning Emily,

And thank you Tisha for the introduction. As mentioned, I'm following up on the speaking invitation that Rick FitzZaland and David Young extended to Minister Conroy during their meeting yesterday. The invitation is to attend and speak at The Federation's June conference in Penticton.

I've included the overall timing and location for the conference below. Our conference planning committee will be meeting later today and we hope to have a preliminary, placeholder agenda available shortly thereafter. In the meantime, I can let you know that we would be allocating a 1-hour timeslot (including Q & A) for the Minister to speak to our members. And, once we can confirm Minister Conroy's availability and acceptance, we'd be happy to provide additional information about what our members would be most interested in hearing about.

Dear Joshua,

My sincere apologies, your invitation somehow got lost in our system and we are just seeing this now.

The Minister is unable to attend tomorrow as she will be in her constituency in Castlegar, but she would very much like to meet with the TRRUST collective impact initiative. I expect it would be best to happen in Vancouver rather than Victoria? Minister Conroy isn't often in Vancouver.

Also, if there are any summary materials created from the meeting tomorrow she would welcome the chance to read about how the day went.

Thanks again for the invitation and apologies for the delayed reply.

Good afternoon,

My name is Joshua Wasilenkoff and I am youth member of the TRRUST collective impact initiative.

Aging out of care in Vancouver is like navigating an obstacle course! A number of young adults transition from government care without caring connections and the supports that their parented peers have access to. They often go from group homes, foster homes and youth agreements straight into survival mode, poverty and then homelessness.

TRRUST collective impact is working towards changing this outcome for the approximately 100 young adults who transition out of care each year in Vancouver. Since 2014, more than 100 members representing 44 organizations and governments

in Vancouver have aligned to achieve a common vision that *all youth in and from care will have equity of access to meaningful experiences, caring connections and opportunities for growth based on their individual needs, wants and readiness.*

These young adults invite you to hear about the challenges they face, the work of TRRUST and the outcomes we have achieved working collectively. They are also eager to share solutions that would work for them and engage you in learning how to better advocate and work with government to achieve systems change.

West End Community Centre, Denman Room, April 6, 9:30am to 11:30am.

The following items will be shared with you during this meeting:

- Journey maps of transitions out of care
- Translink Fare evasions and the consequences for youth aging out of care
- Research on housing for young people in Vancouver
- Research on employment for young people aging out of care in Vancouver
- Statistics on homelessness, high school graduation and youth aging out without identification

There will also be a question and answer time. We hope you will consider joining us to hear from young people in Vancouver about their work and experience aging out of care!

Please RSVP to me at jwasilenkoff@gmail.com. I have copied the Project Manager for TRRUST Lucie Honey-Ray.

Looking forward to meeting with you.

Sincerely,

Joshua

Hi Allison

Couple of innovative things of Interest.

- 1) In partnership with Boothroyd First Nation staff attended "teachings" experience Rick Campbell Elder and former Chief their "Healing Circle" Within the nations vision, we funded a life size healing circle (i.e. Boulders etc.) which will be used in ceremony or "teachings" when children youth return or are in community. In addition we are planning to use the Healing Circle for Youth Justice as we have assigned a YJ for Indigenous youth hope to blend restorative justice with reconciliation. Boothroyd is planning a ceremony and will be inviting the Minister and Leadership in the spring.
- 2) With Boothroyd, Boston Bar, Stailes, and Spuzzum we are developing partnering with these Nations on a preventative program called a "Place of Welcome". This started with our discussions with nations painting resident doors in community similar to main stream

“Neighbourhood Watch” to represent healthy communities. This has progressed with family support built around community development in partnership with MCFD. Example is Boothroyd Band Phillip Campbell Healing House with the freshly painted green door. Green symbolizes healing. Penny Trites is the lead working with the Nations and Willie Charlie.

Hi everyone,

Allison has asked for some examples please of innovative things you have been able to do over the last year to keep indigenous kids out of care (i.e. things we do now that we may not have done 2 or 4 years ago). Please see her note below for more detail. Please send your examples directly to Allison **with a copy to Debbie S., Teresa and myself.**

By **end of day Tues, Feb 6th** please.

Thanks very much

From Allison:

I wonder if you can request some examples of innovative things we have been able to do over the last year to keep indigenous kids out of care. By innovative, I mean things we do now that we may not have done 2 or 4 years ago. I don't want anything fancy – direct emails from staff or EDSs are fine (I would love to hear directly from staff who are doing innovative practice actually). I clearly don't want identifying details of cases – but stories and examples work well. Maybe ask folks to send them to me over the next couple of weeks? Again, I don't need a single document or anything – it's

more of an informal request. I just want to see if anything has changed and also to see how people are receiving the request to do things differently.

Finally, if these same staff have ideas of what we could do to support more and different ideas, that would be welcomed.

Okay I can get an itinerary set up. Were you still interested in having the minister partake in the items below for the visit? How much time does she have?

the youth custody management committee is meeting until 3 pm that day –so she could meet the management staff from Prince George and Burnaby and could do a tour of the Burnaby facility and have opportunity to talk to line staff and see youth engaged in programming that day . During the same visit she could meet with staff and tour Youth Forensic Psych. Services (across the parking lot from the custody centre)

Also – not youth justice specific – the minister might want a tour of the new facility at Riverview and its current build state – we could look into arranging this – if she was interested.

And you do you still require a history of the centre? We could incorporate that into the itinerary....

Honourable Katrine Conroy

B.C. Minister of Children and Family Development

Dear Ms Conroy,

We would be extremely pleased if you would join with us on Sunday, May 6, to celebrate the 15th Anniversary of MiMi's House. In 2003, when the provision of respite care for children with severe disabilities came to an end at the Todd Unit of the Queen Alexandra Centre for Children's Health, a determined group of affected families worked hard to re-establish this vital care service. With the combined imagination and cooperation of the Ministry for Children and Family Development, the Ministry of Health, the service provider, Centaine Services Inc., and our charity, Children's Respite Support Society, MiMi's House was founded and has continued to provide this essential service to the children and families of the Greater Victoria region. From 1-4 pm we will be celebrating these past 15 years and thanking some of the major donors who have helped us with recent projects, including a wheelchair-accessible play area in the yard and a wheelchair-accessible van. The House will be available for viewing, and there will be live music and games for the children and some pleasing refreshments for all. (Please see the attached poster above.) MiMi's House can be found at 1631 Earlston Avenue in Saanich, and it is also conveniently accessed from Midgard Avenue.

We truly hope to see you there! It would make the event very special for all of us.

Sincerely,

Charles Card, Secretary

Children's Respite Support Society

Subject: BC Coalition to End Youth Homelessness Meeting: Attendance Requested

Dear Government Partners,

Today I am reaching out for your support on a significant issue that we can and must address in British Columbia: Youth Homelessness. I am also requesting that you or a senior

representative of your Ministry join us on Wednesday, May 23rd in Vancouver to participate in our first in-person meeting as a first step in ending youth homelessness. We are asking for each of 10 key Ministries to identify a senior representative (Minister, Deputy Minister, ADM) to join youth, service providers and representatives from other Ministries for this provincially-supported event.

This issue is close to my heart as a young person who began experiencing the trauma of homelessness as a permanent ward of the government. Before the age of 19, I went through 28 different moves in the foster-care system where I toted all my belongings in garbage bags.

When I aged out, I ended up living on the streets of Kamloops. My life touched all the ministries including health, mental health, public safety, social development, education and post-secondary. My trajectory of healing and out of homelessness was based on the support of your government to find a way home, which included more than the bricks and mortar.

Today I reach out to you as a young person with lived expertise of youth homelessness. The need is urgent and we must respond as we all have a responsibility and role to play in ensuring

every youth has a way home. If one government ministry takes on the role of mom and dad, we need all the other ministries to be aunties and uncles, community to be sisters and brothers, and the private sector to be cousins. We need to be family for those youth who have none. Young people are dying without a home and there is an urgent need to develop the services they need to be successful. I know firsthand the change that can be made when young people's potential are invested in, they will dedicate their lives to making a difference in others' lives. Youth with lived experience have the solution and we need you to listen.

In 2017, we founded BC Coalition to End Youth Homelessness which now includes more than 25 agencies from across BC and is growing every day to ensure geographic and service diversity and Indigenous representation. Our purpose is to develop a provincial plan to end youth homelessness with strategies for prevention, supports, housing, and information-sharing. In February 2018, I had the opportunity to meet with Minister Robinson and Minister Simpson to share our strategy to develop a provincial plan to end youth homelessness. Funding was provided with the assistance of the Homeowner Protection Office, branch of BC Housing, to support us to bring together youth, BC communities, and inter-ministerial government partners to co-create priorities for a provincial plan to end youth homelessness. Please see details and deliverables on our attached one-pager.

We ask you to stand with us rooted in action to end youth homelessness in BC. Together we can make a difference in the lives of young people who are the future of our province.

Warm Regards,

Subject: Foster Care Symposium Panel Invite

Dear Honourable Katrine Conroy,

I am the Executive Director of Home for Every Child Adoption Society. We focus on supporting children and families in the adoption and foster care communities in BC and across Canada. We are holding a conference in conjunction with several other organizations on May 25th and 26th in Maple Ridge, BC for adoptive and foster families. On the 25th, we are hosting a pre-conference Foster Care Symposium and would love for you to attend and speak on our panel.

Our conference is faith based and our passion is to see kids with families. Whether that be with their primary family, or adoptive family, or foster parents, we are passionate about permanency and meeting their needs. We focus on recruitment, education, and support including a post-adoption/foster care financial assistance fund.

The purpose of the symposium, is to see how the church can come along side the government and support the same efforts you are making. There will be a government leaders panel to begin with. We want to know what the government needs and wants to come along side them, and we will also have a church leaders panel to find out what the church needs. In Colorado, for example, they had the vision to see no more waiting children in the foster care system waiting for adoption. The government and church partnered together, and were able to completely eliminate their waiting child list and instead had adoptive parents waiting, it was amazing! We would love to see the same thing here. To help end the wait, recruit parents informed and capable of special need parenting, and offer any other services we can. In conjunction, if we can offer supports to help keep children with their families before they enter foster care, we want to do that too.

If you are available, the Symposium runs from 9am-4pm but the panel will be mid-day. It would be amazing if you could attend as we work towards the same goals of seeing children in families. Thank you so much!

Subject: Indian Residential School History and Dialogue Centre opening

Dear Minister:

I hope this e-mail finds you well and that you have had the opportunity to enjoy being in your constituency before the current sitting days.

On April 9, UBC will formally open the Indian Residential School History and Dialogue Centre. The Centre will be a place for former students and survivors of Indian residential schools and their communities to access their records, for students and the public to explore the vast archival holdings and learn about the history and legacy of the schools through interactive technology, and for university and community members to meet in focused discussions about the uses of history and other collaborative projects.

This centre is affiliated with, but independent from, the national centre at the University of Manitoba, which was created in response to the Truth and Reconciliation Commission of Canada's call to establish a National Centre for Truth and Reconciliation to hold its records. UBC supported the bid of the University of Manitoba to become the national centre with the understanding that a west coast centre would also be created.

As part of the event on April 9, I will deliver a statement of apology for UBC's involvement in the system that supported the operation of Indian Residential Schools.

Unfortunately, the timing of this event coincides with the sitting of the Provincial Legislature, precluding MLAs from attending this important event at UBC. However, the event will be webcast and should you have the opportunity you can witness the apology on the [event](#)

[webpage](#).

When your schedule allows, UBC would be honoured to welcome you to our Vancouver campus to tour the newly opened facility and meet with faculty and staff at the centre to learn more about its mission and programming.

If you are interested, my staff would be pleased to organize such a tour.

In the meantime, please accept my best wishes.

Sincerely,

Prof. Santa J. Ono

Subject: Kids Help Phone's trends in BC

Hello Paula,

My name is Trevor Zimmer and I am a Senior Development Officer at Kids Help Phone. I am reaching out in hopes of arranging a conversation with Minister Conroy, to share some alarming trends to share with the Minister regarding the challenges young people in BC are facing and how they are utilizing our service. In particular, we found that BC youth had a higher than average proportion of returning/repeat service users, at 40% of all counselling sessions in 2017. We also saw that older youth received counselling second most frequently of any province in Canada.

Kids Help Phone has solutions to the complex challenges facing youth in BC. Our CEO, Kathy Hay, and VP of Counselling, Alisa Simon, will be in Victoria on April 13th. Kathy and Alisa would be open to meeting with the Minister to discuss how we might work with the government on solutions to some of the child mental health challenges in the province. We have significant expertise and offer real value to the conversation, as we talk to thousands of young people a year, and could share the data of what we have discovered.

Please let me know when there might be some time in the Minister's schedule for a meeting.

Many thanks,

Trevor

Subject: Roots of Empathy Vancouver Baby Celebration Invitation

Dear Minister Chen,

The well-being of our children is essential to the well-being of our communities and we all benefit from working together for their future. This year we are celebrating more than 9,500 children in the province of British Columbia who have benefited from the deep learning that happens in both Roots of Empathy and Seeds of Empathy programs. Since first arriving in the province in 2000, over 155,000 children across all five health regions have taken part in the experiential learning that is unique to our social and emotional learning program. Everyone involved in Roots of Empathy and Seeds of Empathy, from the Instructors, to the families, to the classroom teachers and their students take their learnings with them, positively impacting their communities as they do.

Our annual Baby Celebration will be held on Friday April 13th at 3:30 pm at Creekside Community Centre in Vancouver and it would be wonderful to have you there to celebrate with us. It's about more than our Tiny Teachers, it's a celebration of all of our volunteers and supporters and a way to thank you for your continued commitment to the long history Roots of Empathy and Seeds of Empathy in BC.

I would be honoured if you could join us.

Hoping to see you there,

Mary
