Not sure if this was dealt with while I was away last week? If not should I print these docs for the Minister's signature?

Hi Alisma,

I have been meaning to hand over a book to you for the Minister. At the Penticton AGM for the Federation of Community Social Services, they gave a book to each participant. There were a selection of books and event organizers decided which book each person would receive. I was asked to bring back the book for the Minister – it is called Indian Horse from Richard Wagamese.

I can bring the book over to MO next time I see you. I also wanted to give you a heads up just in case the Minister would like to do something else with the book.

Thanks,

Thanks Shawn, this is fine except could “type” be changed to “types” as bolded and underlined below.

Minister is curious – is this OTO funding from MMHA?

Hi Alisma,

As below – would MKC like a quote in the attached NR, slated to go out tomorrow?

Hi Paula,

Mental Health and Addictions is investing \$200k for therapeutic programs for at-risk youth (counseling, life-skills intervention programs for 15-to-25-year-olds who are at risk of overdose, self-harm, homelessness and suicide).

Would Minister Conroy like a quote in the release?

It's ok, they got all five from yesterday. Not sure why they're still showing on your iPad but they confirmed it's done. Nothing new today yet.

Hi, I'm at the airport, flights delayed... :(  
So I have time to get some work done. :)  
I just checked OIC's and they are still there from yesterday  
And no new ones.  
Will check again as I think my iPad wasn't connected and is now. :)
