Is there any possibility of changing the CCWG meeting on the 18th to the afternoon of the 20th? have Cabinet in the morning on the 20th. Or If I could call in on the 18th if we cant change.

Would give me an extra day in the constituency, and if the event on the Tuesday isn't til noon I could catch the morning flight on Tuesday to Vancouver.

Also trying to figure that week out as I need to be in Penticton on Wednesday night then up to Kamloops Thursday night and to Victoria for YAC on Saturday afternoon, then to Coquitlam Tuesday and not back home until the 29th I think.

So an extra day at home on the 18th, would be really good as I'll be gone for almost 2 weeks.

Thanks Kat

I've also asked AEST to set up a conference call for tomorrow to discuss event logistics. Look for that invitation soon.

Any chance we could talk about where things are at, and what you're hearing from the public? Alisma – what are you getting from GCPE? Just SNs?

As we didn't know about this until today I can ask staff to create an IBN on Take the Wheel as well as a background note on the Youth in Care Network, names of key players etc. However it won't be for tomorrow, likely early next week. Please let us know as soon as you get these meetings booked as the more time staff have the better to work on materials.

Hi Krista –

As this event is coming up close and I understand it won't be possible to get a new note before end of day, can you please provide whatever existing note you have on Take The Wheel?

If it needs to be updated or further information needs to be provided, could you please have staff update or create an IBN for this? If tomorrow is too quick a turn around, I can see about uploading it to the Ministers iPad for her

review on Monday.

Thank you!

Best,

Hi Emily

Yes, for June 5 and 7 what you have is the final.
I did not see the agenda for the June 4th event
at Sts'ailes event. Can you send to me and I will
do up the agenda? Staff will only know as much
as the agenda anyways.

For June 6 – the events in MKC's calendar I
didn't know about. Is someone doing SNs for
the Take the Wheel? GCPE?

For FBCYICN same thing – I had no idea about
this one either....who arranged that one?

I wanted to touch base on next week and

attached the material I currently have. Can you
please confirm this is the most up to date, and

let me know what other material I can expect to receive today (note, all material must be sent today as the Minister is not in the office tomorrow). I do not have anything currently for June 6th, and nothing formal for June 4th. I have an email for the Sts'ailes event w/ an agenda, but could you have staff create a formal agenda for the Minister?

Alisma – what are you getting from GCPE? Just SNs?

As we didn't know about this until today I can ask staff to create an IBN on Take the Wheel as well as a background note on the Youth in Care Network, names of key players etc. However it won't be for tomorrow, likely early next week. Please let us know as soon as you get these meetings booked as the more time staff have the better to work on materials.

Hi Krista –

As this event is coming up close and I understand it won't be possible to get a new note before end of day, can you please provide whatever existing note you have on Take The Wheel?

If it needs to be updated or further information needs to be provided, could you please have staff update or create an IBN for this? If

tomorrow is too quick a turn around, I can see about uploading it to the Ministers iPad for her review on Monday.

Thank you!

Hi Carolyn,

I'm wondering who is facilitating from your program area Minister Conroy's meeting with the BC Federation on Wednesday, June 6th?

We have written the speech for the Minister and have been in touch with Emily Muth who is coordinating there. Her number is: Phone: (604) 527-7762 ext 104

Cell: (604) 358-8234

Toll Free: 1-800-565-8055

On Friday at 3pm, Emily Muth sent us all these attached documents related to a meeting that the minister is having with staff/youth/the board prior to delivering the speech at the Broadway youth Resource Centre including some recommendation that you'll see attached and some questions that the youth will take turns asking her which she will need answers to.

Please let me know how you'd like to proceed with responding to these. Thank you.

Hi All,

Further to our discussion at DMC on Friday, could I ask you to pass this material on to your Ministers, and please find the earliest opportunity to sit down with them and agree on what your top, ranked, three priorities are.

In response to queries from some of you, I have clarified that you can have 1-page table for **each** priority. My original thought had been 1 page for all three. But the tradeoff is 12 font and nothing beyond 1 page. We are going to be posting these up on the wall at the retreat, and trust me, the complete unexpurgated version of War and Peace will not be very useful, and is unlikely to get much of read, and much favour.

I look forward to receiving every ministry's material by June 14.

Thanks everybody.

Thanks Les,

DMO did not send them to MKC and I didn't receive them as well. Krista thinks they went to Donna Hansen who retired last week. ☺ MKC is in Kamloops, as am I, and it will be hard for her to review them today but can you send them to me and I can try and get her to look the over?

I talked to Krista and she is asking CABRO if they can be sent next week but she said they seemed quite firm on today's date.

Thanks,

Edena

The Annual Service Plan Reports are due to CABRO today. Versions signed off by CABRO, TBS and me were sent to MCFD DMO last week. As I noted on the call with the Minister on Monday, there are very well done and I saw no controversial issues with them.

That being said, if the Minister needs some time to review them, getting signed off versions to CABRO early next week should be OK.

Hi Les,

MCFD DMO is telling me that service plans for CPC and CBT are due today?

CABRO has set this as the due date.

Can you assist me in straightening this out?

Cheers,

Hey Edena

I think you mean the annual service plan report (Annual Report) at this point in the cycle. I have not seen the CBT and CPC reports yet (likely still being reviewed by our Corporate Initiatives Branch).

Minister has likely received advice from CABRO on their time line which has some room. Annual Reports are released with the Public Accounts, currently expected in late July or August, so we have some time. We should be fine to do this by phone next week some time.

Hi Les,

I need to set up a meeting for you with MKC regarding service plans for CBT and CPC.

MKC is back and forth to Victoria and other locations over the next few weeks. Can we do this over the phone or is it best to be in person? What do we need to have this done by?

Let me know what you think and we can set this up. I know you are also joining Johnny and MKC by phone call on the 18th at 1pm. We could possibly do the Service Plan meeting after this one via phone as well?

Thanks,

Thanks Kelly and you too Diane.

Was happy to have the opportunity to tour your DAA and glad we could fit it into our schedule.

The visit the past two days was busy but also very memorable. Every time I get out in the Province and meet people who are working in the best interests of children and families reminds me of the incredible opportunities in this Ministry.

With us all working together I know we can make things better in this province.

Thank you for all the work you do. Was good to meet the many folks working with you. Thanks again for suggesting it.

Get to do a bit more travelling around the province before I end up home on Friday for some family time.

Take care, Katrine

I have to be in Cabinet to present Ministry priorities. Depends when that is. Perhaps Katrina you might want to go. But I'm also fine with a SURREY MLA.

Minister Duclos' office contacted me this morning – their minister is going to be in the Lower Mainland next week and were calling because they want to do an ELCC-related event on June 27th to celebrate the ELCC agreement/funding here in BC (would not be an announcement per se, thinking of an event at a childcare centre, and they mentioned after-school care and Surrey specifically FYI).

I explained that you both would be in a Cabinet retreat that day but that the afternoon of the 26th might be doable, FYI they also asked if they had to go ahead on the 27th, we would want to send an MLA to represent the government.

They also updated me on the Indigenous ELCC agreement, about which we have our call with Minister Duclos on Wednesday – after not having any date at all they could provide, his assistant indicated that they are set to announce that either this week or next in Ottawa, though offered the caveat that this is subject to scheduling with the National Chief which has not been nailed down and if it can't be, won't happen!

Please let me know if you want me to push to get you both at the event with Duclos on the 26th (he has other events that day so may be moot) or if we are fine with sending Surrey MLA to represent on the 27th.

Chatted with Penny and

manager of Te Elum
House.

Recommend the Minister
present a tree marking the
10 year aniveverasay . The
tree can be planted in
front of the home or
Snowoyelh and reflect the
future growth and
partnership.

We purchased a tree for
Spuzzum which was well
received on our
partnership.

We can arrange for local
purchase of tree (suggest
cedar) and bring it out
when the minister
presents her gift.
