Good afternoon Bess –

I'm emailing in regards to the FCSSBC AGM on June 21st. I understand Minister Conroy is slotted to present at 10:30am on the day. I am wondering if you have a draft agenda you could send my way? I am working on scheduling the day for the Minister and want to get a better idea of when she will be at this event.

Thank you kindly,

As well, if there are any potential child care decal visits that may work too? Paula's not sure if the decal visit's were only for May, if so then disregard!

This is great. I think it would make sense for Angela to ride with us from Chilliwack or Harrison or wherever we are leaving from to the Sts'ailes territory but we couldn't give her a ride from Vancouver for example as we need to drive out Sunday night to the area.

Krista we are also hoping to do some MCFD office visits in the area (on Tuesday the 8th) so I imagine we will be going to Holden's SDA office? I want to plan an itinerary for MKC that is Sts'ailes on the 7th, then Fraser Valley and area offices on the 8th.

Hi Paula,

Holden Chu, the Executive Director of the SDA contact the Chief and says he is fine with reporter coming to the event. Also heard Grand Chief Ed John is attending as well.

For the reporter tag along, you want me to offer Angela Sterritt a car ride with MKC (once you know where MKC will be) or to meet at Sts'ailes?

We can discuss more once we know if Angel is available.

Thanks

Pam it turns out it was an event organized by the Sts'ailes not by the DMO, that info wasn't reflected in the info in our calendar so I thought it might be movable. It is not so we will not be able to take part in the Tuition Waiver extension to trade schools that Minister Mark is doing on the 4th as her way of starting BC Child and Youth in Care Week.

I do think it would be great to invite Angela Sterritt to come along **if** that were approved by the Sts'ailes – I am cc'g Krista as she has been the contact for me on the info regarding this visit to the Sts'ailes. Krista, can you confirm that the Sts'ailes visit is going ahead on June 4th and who Pam should speak to about the question of bringing CBC's "Reconcile This" reporter Angela Sterritt?

Minister Conroy is welcome to attend for the full morning or whatever time she can make. She appreciates she has a really busy schedule. Please let me know .

The day before, June 13th, there is a reception after work -time to be confirmed however likely 5-7 ish- for the DAA ED's and MCFD Executive, ED's and the Minister is invited to attend this as well. It will be in Victoria and more details will follow shortly.

Hi Emily,

I should call the organizer of the Canadian Club May 15th engagement as soon as possible and want to confirm the time with her that MKC can be there. Yesterday we discussed 12:10-1:00. Is this something I can confirm? Do we need to ask for a 12 minute late entry to caucus? How do we do this? I would like that confirmed before I call the woman back. ☺

One of the things that is hard about being far away is this type of situation. MKC had approved this as she felt that she had enough time. Me being far away I can't assess that as easily. Live and learn.

Hi Paula and Emily,

I chatted with Kathy Eichenberger about the events on May 15th and May 28th.

She is unfortunately not in Victoria on May 15th. She told me to call the Canadian club and tell them exactly when MKC can talk and define the parameters. So my notes from our conversation was that possibly she could be there from 12:10 to 1:00. It is, according to google, a 12 min drive from Legislature to the hotel. Do you think this will work?

On May 28th Kathy has suggested that if the Minister can get leave to attend that would be great. However if she cannot leave the building that morning we might just have to give regrets. Can you

have a look on the 28th and see what you think? If this is not possible I need to contact Mike, the organizer, as soon as possible. I will tell MKC.

Thanks. ☺

Emily

Thank you for the response, looking forward to the Celebration, glad Minister Conroy is able to attend.

We will be sending more information along once we finalize the plans.

Does the Minister or any of the party traveling with her have any food allergies or restrictions that we should be aware of??

Hi Krista –

Thank you!

A few questions from Paula:

1. the time of the Surrey celebration? – if it's in the afternoon, we could possibly get back for that at end of day
2. since MKC will be at the Abbotsford Foundry opening on June 19th, which of Holden's suggestions below pair best with that (maybe Chilliwack centre I am thinking) – will save it to the 19th
3. Based on above what an itinerary would look like – Seabird? Agassiz? Surrey?
4. Is there a childcare decal visit opportunity? (if it means we can't get to Surrey in time then no worries)

Hi Emily

South Fraser (Karen Blackman's SDA) is hosting a celebration for child and youth in care week in Surrey that might work well for the Minister. Also, Holden has put forward a few possibilities for the 5th as below.

As the Minister is attending the Stales June 4th 10 year celebration, yes we can accommodate the Minister to visits on June 5th. Option would include visit Seabird Island First nation meet staff and visit our new Family Home (would ask Chief Seymour availability) , attend Chilliwack Neighbour Learning Center (CYMH intake, Early years co location with Xyolthemeyth) DAA and visit Agassi Xyolthemeyth colocation office, visit the new Foundry in Abby etc. Flexible...

Let me know what interests the Minister and I will have them do up an itinerary. Let me know how long she would have as well.

thx

Hi Krista –

Per Paula's note below about visits on the Tuesday (she meant June 5th). Would you please be able to provide a rough draft itinerary of potential offices to visit in the Fraser Valley on the 5th? As well, if there are any potential child care decal visits that may work too? Paula's not sure if the decal visit's were only for May, if so then disregard!

If you are able to get back to me by Tuesday next week that would be greatly appreciated!

This is great. I think it would make sense for Angela to ride with us from Chilliwack or Harrison or wherever we are leaving from to the Sts'ailes territory but we couldn't give her a ride from Vancouver for example as we need to drive out Sunday night to the area.

Krista we are also hoping to do some MCFD office visits in the area (on Tuesday the 8th) so I imagine we will be going to Holden's SDA office? I want to plan an itinerary for MKC that is Sts'ailes on the 7th, then Fraser Valley and area offices on the 8th.

Hi Paula,

Holden Chu, the Executive Director of the SDA contact the Chief and says he is fine with reporter coming to the event. Also heard Grand Chief Ed John is attending as well.

For the reporter tag along, you want me to offer Angela Sterritt a car ride with MKC (once you know where MKC will be) or to meet at Sts'ailes?

We can discuss more once we know if Angel is available.

Thanks

Pam it turns out it was an event organized by the Sts'ailes not by the DMO, that info wasn't reflected in the info in our calendar so I thought it might be movable. It is not so we will not be able to take part in the Tuition Waiver extension to trade schools that Minister Mark is doing on the 4th as her way of starting BC Child and Youth in Care Week.

I do think it would be great to invite Angela Sterritt to come along **if** that were approved by the Sts'ailes – I am cc'g Krista as she has been the contact for me on the info regarding this visit to the Sts'ailes. Krista, can you confirm that the Sts'ailes visit is going ahead on June 4th and who Pam should speak to about the question of bringing CBC's "Reconcile This" reporter Angela Sterritt?

Hi Emily,

Thanks for such a quick response. We were hoping to meet with Minister's separately. The content of the meetings and program areas discussed are a bit different. We would come over for an entire day, meet with each of the Ministers, some of the community MLAs and maybe even watch QP ;)

Thanks again!

Hello Sarah, Christine and Emily,

I am writing to get some assistance in setting up a meeting with Selina, Judy and Kat while the house sits in May. I will be coming to Victoria in my capacity as Director of Programs and Services at SHARE along with our CEO Clair MacLean to provide information about the social services we provide in the Tri-Cities and our needs from a broader Community Development lens.

I can appreciate how hard it is to coordinate the Minister's schedules so we are hoping that by us travelling to Victoria for a day it would make it easier to accommodate. I am happy to provide any other information you may need; please feel free to give me a call if necessary.

Thank you so much for your help!

Emily can you map out travel that gets Kat out of Kamloops home to Castlegar on Thursday - then we can work backwards to figure out a time for the event. We will probably have MKC fly into Kam the night before but still working out where we will be on that Wednesday as you know.

Hi Emily

I see you have a hold in MKC's calendar for the partnership forum on June 14. I was just conversing with Cory and she has let me know that the DM and ADM's are going to all be there together from 8:30 - noon. Minister Conroy is welcome to attend for the full morning or whatever time she can make. She appreciates she has a really busy schedule. Please let me know .

The day before, June 13th, there is a reception after work -time to be confirmed however likely 5-7 ish- for the DAA ED's and MCFD Executive, ED's and the Minister is invited to attend this as well. It will be in Victoria and more details will follow shortly.

May 22 West Kootenays

jP You mentioned doing Trail, Rossland, and Grand Forks – do you want to visit 1 provider per community or more? 1 hour visits?

jP Visit local CCRR if any

May 23 Castlegar

jP How many providers and for what durations?

May 24 PG

jP I believe you said there would be a morning announcement at the CCRR and then 1 or 2 CC providers in afternoon?

May 25 Nelson

jP CCRR announcement in morning

jP Afternoon cc visit – maybe 2 depending on how long you want to spend at each.

If you could let me know about the travel that would be great, and how long you want to spend at each site. I know Minister Chen had an hour at each one at yesterday's visits and I am not sure if that was deemed enough time?

Thanks

Subject: Cowichan Valley Youth Centre

Dear Premier Horgan, Minister Conroy and Deputy Minister Bond,

I am excited to let you know about some positive news for youth in the Cowichan Valley. For many years I have been working with child, youth and family organizations to create a Child, Youth and Family Centre in the Cowichan Valley. I know that you, Premier Horgan are aware because you also worked on this project with me (prior to being the Premier) and I know you are supportive of this model and aware of the Cowichan Communities vast community need. Although I have not been able to bring the community together for the purposes of a larger Child, Youth and Family Centre, I thought you would be happy to hear that the seeds we planted years ago have grown and we are moving forward with the development of a Youth Centre in the City of Duncan. After 3 years of working with community, the Island Savings Commission has notified me that they would like to work together with our organization (CVYS) on a renovation of the old aquatic centre to build a Youth Hub for youth and their families. This is exciting news for the youth and families of the Cowichan Valley. I believe this is very timely as the Province is supporting the development of youth hubs in many major cities in BC. This could be an opportunity for yourself and the Province to have a visible presence in the Cowichan Community and possibly could help us engage some larger stakeholders such as Children's Foundation or Foundry to get involved and invest in our community as well? We have the services, the facility and the partnerships now we will just need to raise the funds for the renovation to create a legacy of healthy youth in the Cowichan Valley.

Cowichan Valley Youth Services is a MCFD contracted agency. As you know, the Cowichan Valley has the highest rate of kids in care and highest child poverty in BC. Last year at our agency, we saw approximately 200 youth for mental health support, 34 for suicidal ideations, and 20 disclosed experiencing a significant trauma. This month alone, we have 7 youth that are experiencing unstable housing. The Cowichan community is struggling and our children and youth are experiencing the impacts. Being able to partner with local government, provincial government and community partners to provide wrap around care for youth and their families is something for us all to celebrate!

I have attached some information about our organization, Cowichan Valley Youth Services and the vision for the Youth Hub. I would like to invite you, Minister Conroy and/or Deputy Minister Bond to come and visit our organization, discuss the current situation in Cowichan Valley for children and youth and tour our new Youth Centre location. If you are able to make it to Cowichan or you would like to discuss this further, please contact me at your convenience.

Sincerely,

Michelle Bell, BSW, M Ed Leadership
Executive Director

Dear Ministers,

I am writing, again, about my concern for the situation surrounding Strawberry Vale Preschool. It seems that provincial policy has created a situation that is allowing children to be turned out of their program. It is the MOA that is being used to justify this action, so we must hold you accountable for the displacement of our families, who are being denied the right to their childrens' early childhood education.

So far we have heard nothing from the provincial ministers. We are receiving the message that nobody in the provincial government is willing to do so much as open a conversation with us. If the ministry of education will not care for our preschool children, surely that falls under the mandate of the Ministry of Children and Family Development

I formally request a meeting, so that we can discuss how the provincial government can support us in negotiating with the school district, so that we can keep our cooperative preschool program running.

Angie Hentze
