Your public body has received a formal request made under the *Freedom of Information and Protection of Privacy Act* (FOIPPA). The request is for:

Records detailing how knowingly false reports against Natural Families made to Child Endangerment and/or Child Protection Officers are screened out so as to protect the reputation and well-being of the Natural Family, and the Bad Faith Reporter (BFR) followed up on under Section 14 of the CFCSA, including cases where the MCFD Director of Practice has recommended applying to the Court for a Court Ordered Psychiatric Assessment of the BFR engaged in the anti-social activity of making knowingly false reports against the Natural Family, and/or when the MCF Director has made a referral to police to report the act of making a knowingly bad faith report as an Offense. Please include records for the SDA of South Vancouver Island only. (Date Range for Record Search: From 01/01/2012 To 12/31/2018)

Please complete the attached Call for Records form and return to FOI.SocialTechTeam@gov.bc.ca by **July 4, 2019**.

Legislated due date **July 31, 2019**.

If search and retrieval time is anticipated to exceed 3 hours and/or the total volume of records exceeds 200 pages, complete **only** sections 1 and 2 of the form as we may be in a position to issue a fee estimate.

- Return the form to IAO by **June 26, 2019**
- Please await further instruction from IAO as the records will not be required until the fee estimate process has been completed.
- Once fees have been paid or waived, IAO will contact you to continue the call for records process.

If no fees apply, complete the attached form and return it to IAO by **July 4, 2019**.

Load responsive records to the Share Drive or send via email. Contact FOI.SocialTechTeam@gov.bc.ca for access to the Shared Drive.

You should be aware that FOIPPA obligates us to assist the applicant and to respond without delay, openly, accurately, and completely. In the event that your public body must defend the adequacy of its search to the Information and Privacy Commissioner (OIPC) at inquiry, those involved in searching for records may be required to sign affidavits confirming they have conducted an adequate search for relevant records.

Please do not hesitate to contact me to discuss:

- whether the records may be routinely releasable;
- whether the information is being prepared for public release or is already publicly available;
- ways in which an applicant may want to narrow/focus their request to reduce potential fees;
- and/or any other questions or concerns relating to this request.

Thank you for your assistance,
