Hi - yes it was the Indigenous Child Welfare Conference at UBC (Robson Square). He was one of the presenters. It was last week the 11th and 12th. I'm positive that this was a long time ago.

Hi Samantha,

Would you mind looking at these agreements and sending me an approval back? They're printed off waiting a signature at work seeing as it's an important agreement but I was hoping we could make an exception for this approval process since neither of us are in the office and it sounds urgent. If you're approving this modification agreement I will attach your signature and send back.

Thanks,

Hi Tiana, I believe the two mods with the above noted agency have been forwarded to you to get Sam's signature. I am attaching them here. As the dollar amounts for both are relatively big, we want to get them processed soon. Would you kindly get them signed by Sam asap and e-mail them to Alisha? Would you please cc me for these two? Thanks a lot for your help!

Hello Samantha,

Glen followed up with the agency and there is no change to the current situation with Daniel acting in the role as a contractor. I'm not sure what Tiffany's role is at the agency/why she was included in the QA letter.

Hello Samantha,

The latest we'd heard was that a private contractor was providing interim support while they search for a new ED. We've requested an update, but don't have a name yet, but Glen is looking into it. I will pass along the name/info once we have it.

Good morning Samantha

I am hoping you can approve flights and car rental for me to fly pacific coastal YVR rtn, to meet with Jane and FVACFSS concerning last years maintenance costs which are well above what was expected, and their operations surplus. We have a meeting set for May 9th in Langley and I don't think it is a situation that we should attempt to deal with over the telephone.

Hi there,

I just noticed the address on the bottom of your signature. It almost made me laugh as I left my office there and have my hat hung temporarily in the Vedder Rd office in Chilliwack. I say it that way as ofcourse I am all over, sitting at Clearbrook this afternoon....

I wonder if you actually sit over at Cruickshank often?

I hope you are well and that our paths will cross in our new worlds!
