

Foster Care Service Providers with Active Contracts (and Active Placements)

Month	Indigenous Foster Homes	Non-Indigenous Foster Homes	Total Foster Homes ¹	Percentage Indigenous
201803	414	2,304	2718	15.2%
201903	397	2,146	2543	15.6%
202003	385	1,997	2382	16.2%
202103	406	1,867	2273	17.9%
202107	375	1,816	2191	17.1%

¹ MCFD and DAA have contracted relationships with Foster Homes. Where possible, this table counts any Foster Home with an open contract even if the home has no children/youth placed in them. Some DAA foster homes are only counted when a child/youth is placed in them because the ministry has no access to their contract information. This may undercount Indigenous foster homes by the number of homes with an open contract but no active placement.
