Hello Bruce, nice to hear from you.

I was provided your note below and ironically enough, I had an email to go to you to make this very same type of request, *'How do you feel we can better engage the Honorable Premiere, Christy Clark and the Honorable Minister of Community, Sport, and Cultural Development, Coralee Oakes'* given the support we recently witnessed for the Men's Rugby Sevens World Series announcement. As usual, you are always faster than I!

Michele will be back in touch and please do let us know what else we can consider collectively. We do have other announcement which I feel would be appropriate for the Premiere to be involved and would be happy to have that discussion.

All the best Bruce and thanks for reaching out.

Hello Richard

Our Minister has requested that we explore the possibility of arranging a photo opportunity with the Women's National Team while they are training in BC. The Minister recently participated in a photo opportunity on the lawn of the provincial legislature in Victoria celebrating Vancouver's successful bid to host the Men's Rugby Sevens World Series and she is keen to replicate that experience with the Women's Soccer Team.

We understand that the National Team will be very busy with its final preparations for the World Cup during the next 100 days however it would be appreciated if we could connect by phone in the next day or two to discuss this matter.

Please feel free to suggest a time that is convenient for you and we will make it work from our end.

Dear Premier,

Re: Invitation to FIFA Women's World Cup Canada 2015™

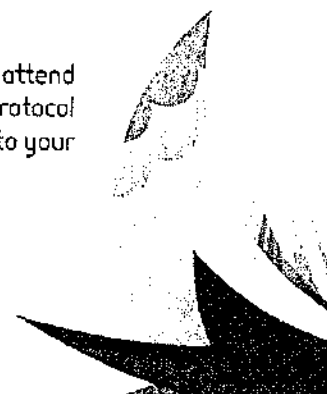

Canada will host the FIFA Women's World Cup™ in 2015 from coast to coast across the country. The Official Slogan "To a greater goal™" was created to celebrate not only the competition but also all female players around the world. It contains a dual message that embodies the essence of this world-class competition: a vision for team sport and a vision for women.

From June 6 to July 5, 2015, 24 of the best national women's soccer teams from around the world will battle it out in 52 matches to earn the right to hoist the coveted FIFA Women's World Cup Canada 2015™ Winner's Trophy. The FIFA Women's World Cup Canada 2015™ marks the first major sporting event hosted in Canada from coast to coast. With matches in Vancouver, British Columbia; Edmonton, Alberta; Winnipeg, Manitoba; Ottawa, Ontario; Montréal, Québec; and Moncton, New Brunswick, Canadians will have the opportunity to cheer on their favourite team.

The National Organising Committee for the FIFA Women's World Cup Canada 2015™ is pleased to extend an invitation to you and a guest to attend any of the matches outlined in the below chart at your Official Host Venue. Travel, accommodation, and expenses are at your own cost.

- Dress Code:** Smart casual. Closed toed shoes are required for all guests, and men must wear full length pants. As this VIP area is considered a neutral area, no flags or jerseys, please.
- Attendees:** Representatives from FIFA, CONCACAF, National Organising Committee, Canadian Soccer Association, FIFA Member Associations, federal, provincial and municipal governments, and participating National Teams delegates.

You will find, enclosed, a chart offering the opportunity to select matches you may wish to attend based on date, time, and location. Please complete and return to Kristin Cochrane, Protocol Manager, at rsvp@fwwc2015.ca, by Friday, March 13, 2015. Upon receipt, details specific to your selected match(es) will be forwarded to you.
