Nick,

Thanks for letting us know. Really unfortunate. It is a great meeting for him to attend with lots of interested parties wanting to meet with the Minister.

We understand that Minister Wilkinson might be attending in Minister Virk's place, is that your understanding?

Many thanks,

Paul

Hello Paul,

Last we talked I know I was hopeful that Minister Virk would be able to attend BIO, however due to changing cabinet items and meeting times (in addition to some other calendar conflicts) he is now regretfully unable to attend.

Give me a shout if you would like to discuss, 250-413-7420.

Regards,
-N
