Hello Sarf,

To continue moving things forward with the Lions of the Sea project, we would like to send First Take Entertainment a Letter of Intent on Monday. The Letter of Intent will include information about the payment schedule and deliverables, and will be subject to confirmation of funding from the Province.

With a Letter of Intent signed by both Knowledge Network and First Take Entertainment, we will be in a good position to start working on the press release. I will send you a copy for your records.

Does this approach work for you?

Thanks!
