Subject: MLA Olsen - Request for meeting on Internet connectivity on the Southern Gulf Islands

Hi Trent,

Thanks for taking my call earlier today.

I'm contacting you as I would like to set up meeting between Adam Olsen (MLA for Saanich North and the Islands), the CRD director of the Southern Gulf Islands, perhaps Network BC, and any other officials that should be present from your organization or the ministry.

At issue is the appalling internet service available on the gulf islands – particularly for new residents. My understanding is that new customers on the island can only get up to 5 Mbps because Shaw (and I assume Telus) are maxed out in terms of bandwidth. This issue has been raised with us from the CRD director of the area, various Islands Trustees, and constituents who live on the islands.

The purpose of the meeting would be to discuss what options are available for this issue.

I've reached out directly to Network BC (Howard Randell) and he suggested that the best thing to do would be to go through your office to set something like this up.

Thanks Trent.

Hi All,

I have spoken to Aldous Sperl – MLA Olsen's EA. We have come up with mutual 'holds' in Minister Sims and MLA Olsen's calendars for a meeting regarding internet connectivity on the southern Gulf Islands (to include Network BC).

Please advise if we can book one of the following dates/times for this meeting:

- Wednesday, November 1 – from 3:30-4:00pm
- Thursday, November 2 – from 3:45-4:15pm

Note – Aldous Sperl also inquired on who he could invite to this meeting. I told him I wasn't certain, I would have to get back to him.

Thank you,
Kathleen

Hi Kathleen,

I've spoken with Howard at Network BC and he's confirmed that they've had these types of requests in the past. Generally these meetings are held with Network BC (Susan Stanford and Howard Randell) and with the MA and the MLA. NBC can provide them with a technical review. We don't recommend including the CRD or other parties in these meetings.

If you want to proceed with setting this up, just let us know the time and place and Diane will arrange to have Susan and Howard to be there.

Let me know if you have any questions.

Hi Kathleen,

As with the Shaw meeting, neither Susan or Howard would be able to do a meeting between Nov 1 - 3 as they are travelling. Sorry.

Minister will be attending after all?

JC

Hi All,

I have spoken to Aldous Sperl – MLA Olsen's EA. We have come up with mutual 'holds' in Minister Sims and MLA Olsen's calendars for a meeting regarding internet connectivity on the southern Gulf Islands (to include Network BC).

Please advise if we can book one of the following dates/times for this meeting:

- Wednesday, November 1 – from 3:30-4:00pm
- Thursday, November 2 – from 3:45-4:15pm

Note – Aldous Sperl also inquired on who he could invite to this meeting. I told him I wasn't certain, I would have to get back to him.

Thank you,
Kathleen

Kathleen could you please make the initial call and let MLA Olsen's office know who the Ministry contact is and that they will work directly with them to set the meeting up (same as we did for MLA Thomson for the Estimates briefing).

Please ensure this meeting gets set up ASAP.

Thank you.
Shannon

Okay. Do you want Network BC to reach out to the MLA office or will Kathleen?

Thx.

Thanks Jeannette. Can we please arrange for Susan and Howard to meet with MLA Olsen ASAP. Either Karl or I will attend the meeting as well.

Thanks,
Shannon

Hi Kathleen,

I've spoken with Howard at Network BC and he's confirmed that they've had these types of requests in the past. Generally these meetings are held with Network BC (Susan Stanford and Howard Randell) and with the MA and the MLA. NBC can provide them with a technical review. We don't recommend including the CRD or other parties in these meetings.

If you want to proceed with setting this up, just let us know the time and place and Diane will arrange to have Susan and Howard to be there.

Let me know if you have any questions.
JC

Hi Trent,

If the MO would like to set up the meeting we can have Jill, Susan and Howard attend as well to discuss. Just let us know for when.

Thanks.
