Hi Minister,

Please review the attached documents for sign off.

The first one is just your quote that will appear in the federal news release for Tuesdays announcement.

The second is our news release that we are going to send out. We're mostly looking for you to sign off on the quote that I have highlighted in the release, but if you see anything that you think needs changing in the release itself, please let me know.

Can you please get this back to me this afternoon? We're on a bit of a tight timeline.

Thanks!

Karl

Hi Jinny,

Access to CITZ ministerial calendar has been provided to Preet Sangha. I think the issue in question is that she doesn't have access to your ^{s.17} private calendar therefore cannot see or create any events assigned to you. Is it ok for us to provide her access to your private Leg calendar

Hello,

I am disappointed that you have invoked a 45-day delay that was endorsed by the OIPC. This is wholly unnecessary and contravenes the Minister's own mandate letter, in which the Premier ordered her to: "Improve response and processing times for freedom of information requests." As such, I have copied Minister Sims.

Your office never attempted to begin releasing records in phases.

IAO's own policy and procedure handbook, which is published online, is plain and clear about Duty to Assist:
<https://www2.gov.bc.ca/gov/content/governments/services-for-government/policies-procedures/foippa-manual/duty-assist>

The access "partnership" between public bodies and applicants covers both the formal rights and duties under the Act and the informal contacts during the request process. Employees, members and officials of public bodies must work with applicants in a partnership to process every request: both parties have an interest in the efficient, timely processing of requests. Informal contacts between both parties should extend well beyond the formal duties imposed by the Act and regulations.

The behaviour of IAO and OOP on this file is reprehensible. The records should have been provided to me in January, but now you want to delay them until mid-May.

Is this what "Better B.C." really looks like?

Sincerely,

s.22

Hi Minister,

Please see the attached email from MLA Sonia Furstenau and the draft response. They Registrar has asked to respond directly which I think is fine, though I will have an acknowledgement sent from our Ministerial email as a courtesy as well.

I just wanted you to see the response before I signed off on it as the letter references some discussions we are having with Finance around changes to the way the corporate registry works. It's nothing major, just wanted you to see if so you were in the loop.

If you're good with it, please let me know and I will have the response sent out.

Thanks,

Karl
