Dear Friends

You are cordially invited to my father's Bhog (Celebration of Life service) on Sunday June 3rd at the Sikh Temple – 8000 Ross Street, Vancouver (Service is in the older building at the northwest corner of South Ease Marine Drive and Ross Street as the main Temple is undergoing renovations due to a fire from two years ago.).

For more information on my father's life please click on the links below for the obituaries in the Vancouver Sun (British Columbia's largest newspaper) and The Globe and Mail (Canada's largest and most respected newspaper):

Subject: Quick question re CSPF Final Presentation

Hi Geoff,
I hope all goes well in your world.
The Canadian Science Policy Fellowship is entering its final furlong. On Wednesday 11th July 2018 (we think it will be in the morning but exact time to be determined) the CSP fellows will be delivering their final project presentations at St Ann's Auditorium in the Ministry of Advanced Education.
First question - any chance you can attend?
Second Question - We would like to invite the Premier - could you let me know what is the official protocol for inviting the premiere to attend an event?
Essentially each CSP fellow which deliver a short presentation (5-7 mins each) about their work with their Provincial Ministry over the past year.
See you soon.
Best
Duncan

Hon. Minister Jinny Sims
Minister of Citizens' Services
Province of British Columbia

Dear Minister J. Sims,

On behalf of IC-IMPACTS Canada-India Research Center of Excellence, it is my pleasure to invite you to the Special Opening session "IC-IMPACTS – A Gateway to India & Scalable International Economic Development" for a keynote message/short speech.

Keeping in mind your busy schedule and this conference audience, I would also request your time for a short message (10-15 minutes) followed by interaction with researchers from BC and other provinces, students, university presidents, business and community leaders, and organizers starting at 4 pm over dinner/cocktail.

The conference will be taking place at the University of British Columbia in Vancouver, BC on June 13th from 1 to 7.30 pm at Cecil Green Park House (UBC), 6251 Cecil Green Park Road, Vancouver, B.C. V6T 1Z1. An agenda is attached but we can modify to accommodate your travel plans. I will also welcome your company for the rest of session, if still works for your schedule as well as next day during our Annual Research event, if available.

The objective of the conference is to create an environment of mutual cooperation between academia, industry and community sectors. We believe that it is only through such a multi-disciplinary approach that significant cross-fertilization of ideas can result in innovative solutions to challenges faced by communities across BC and Canada, and around the world in vital areas of infrastructure, water and public health. The innovative solutions are intended to create market opportunities for existing companies and new start-ups.

To confirm your availability, I can be reached at my mobile s.22 or email to me

at bdhahan@sandhurstgroup.ca <<mailto:bdhahan@sandhurstgroup.ca>>

I am looking forward to your participation and welcoming you here in Vancouver on June 13th.

Sincerely
