Hi Chelsea, Kathleen:

Our office received a phone call for the MO a few minutes ago. Shay Purdy of Suma Strategies Canada called on behalf of SAP Canada regarding a correspondence that was sent from Kirsten Sutton to set up a meeting/tour of SAP Canada's Vancouver office. He was following up on that request. Shay can be reached at 613-235-1400, ext. 242. Thanks.

Hello Shay,

I apologize for the delayed response. Unfortunately we are still in the process of setting the summer House break schedule between Minister's office and her constituency office.

Minister Sims will be meeting with her CA's during next week's break to discuss. I am hoping to have the details the following week so I can proceed with scheduling her Ministerial calendar.

Thank you for your patience – this is certainly on her radar, and we will be in touch within the next few weeks.

Kind Regards,  
Kathleen

Hi, Kathleen!

Thank you very much for getting in touch.

I had the pleasure of working for the federal NDP leader and caucus when Minister Sims was an MP – she is a dedicated public servant and politician, so I'm sure you're a busy office!

I appreciate the follow-up and look forward to hearing back from you (hopefully with date or 2 that could work for the Minister!).

Hope you have a wonderful weekend as well,

Shay

Good Afternoon Shay,

My name is Kathleen, I am the Administrative Coordinator to Minister Jinny Sims. I am following up on the invitation for Minister Sims to tour SAP Canada's Yaletown location, sent from Kirsten Sutton and Ryan Pageau as well as the message you left our office earlier this week.

We are currently in the process of reviewing the invitation with our Ministry Staff as well as the Minister's schedule. As Minister Sims and her Senior Ministerial Assistant are currently on tour this week in Prince George, I am unable to confirm any details until they are back.

I hope to have an answer back to you early next week.

Thank you and have a wonderful weekend.

Kind Regards,
