Shannon,

Below is the answer to the question MJS asked about linkage between Education 's SIF project called Wonderlab and the BCTF's TeachBC site. Appears to be alignment and BCTF linked in.

Jill,

We have engaged with the BC Teachers Federation throughout the service design process and their representatives were instrumental in developing the concept for Wonderlab. We met with the BCTF two weeks ago and discussed this item (among a larger agenda) and indicated that we would keep them informed of our progress. They worry that this will be a duplicate service, however, Teach BC would be considered a complementary resource and one of multiple sources for resources that teachers can access through the Wonderlab application.

Hi Minister,

There is a 6:40 am flight from available with Helijet from YVR. Arriving in Nanaimo at 7:30am.

The 8:20 to Nanaimo is sold out and both the 7:20 and the 8:20 flight to Victoria are also out.

The only other option would be Air Canada Departing at 7:15am arriving in Nanaimo at 7:39am. You would have to be at the airport at 6:15 - which is the basically the same time you would have to be at Helijet.

Please let me know which option you would like to me book.

Thank you,
K

The 7:10 am harbour air flight to Nanaimo is sold out. I can either take 8:20 to Nanaimo or take 7:20 to Victoria and the travel up with Karl. Let me know what works. Emily is going to be my driver

And we did Ministry stuff. Are these expenses for caucus?
