I see the DNS side hadn't been done yet. I guess everyone else was confused by the iStore order being rewritten for the SSL part, and nobody acted on the DNS part. I have added GCPE's sub-domain.

karl.hardin@gov.bc.ca, sara.thaw@gov.bc.ca,

FREQUENTLY-ASKED QUESTIONS

What does it cost to register a domain name?

This service is a fixed quote service from SSBC and costs will change depending on requirements. Currently a domain name (.CA, .COM, .NET, .ORG, .INFO) costs approximately \$200 for a 5-year registration.

How long should I register the domain for?

Select a registration term between 1 and 9 years. Choose a term that's appropriate to the program need.

How long does it take before the domain name is registered?

--> After all necessary approvals are received by GCPE, the domain name will be registered within 5 working days.

--> A .CA domain will be active the day it is registered, but not accessible by the root servers for 24 hours.

--> Non .CA domains take 48 hours to activate.

Subject: RE: SSL Quote goodtimes.gov.bc.ca - iStore 1038460

Hi Lane,

iStore 1038460 has not been direct4ed to our workflow. Since the domain name registration line item is not required, I think this one should be cancelled and replaced with one on the Office Productivity – SSL Certificates PI only, to ensure we get it. We can issue the certificate right away; I understand it is an update to the vanity.blog.gov.bc.ca SANs, so we will just need an updated CSR. Let me know if you have any questions.

Cheers,

Justin Thomson

Subject: RE: SSL Quote goodtimes.gov.bc.ca - iStore 1038460

Correction. I re-read the domain name, it is a subdomain under gov.bc.ca and needs no DNSRequest iStore. So one SSL cert iStore order will do, and an email from GCPE to DNSRequest authorizing the sub-domain.

Don Friesen

Subject: RE: SSL Quote goodtimes.gov.bc.ca - iStore 1038460

I believe this need to be two iStore orders, as the DNSRequest group does not process or quote for SSL certs. There is no combined order.

Subject: NEW DOMAIN REQUEST: GoodTimes.gov.bc.ca

Hi folks,

I've attached a domain registration form for goodtimes.gov.bc.ca. The intent is a super simple 1-page Wordpress site to serve as a landing page for digital ads my team will be creating that provide tips for young people on how best to party safely.

This has Dr. Henry's endorsement, and we would very much like to stand this up before the August long weekend. I recognize this might not be possible. I'll be meeting with Garrett and his team, along with Nate King, on Monday morning to figure out whether our incredibly short timeline is workable or not.

If you think the domain requires more descriptive copy, we would then recommend GoodTimesGuide.gov.bc.ca, but obviously prefer the shorter URL for its simplicity and the possibility of print collateral at some point.

Thanks all,

k

Thanks for the update, Garrett. I've cc'd Marlieke as I spoke to her today about Gov'ta interest in trying to reach a younger audience with information on how to "party safely, etc. While this vanity site being established for this purpose and will link to social media campaign, we should look for opportunities to provide links to the new "Good Times" site and some basic content on the topic off of the COVID-19 site. Be good for you two to stay connected on this work.

Subject: NEW DOMAIN REQUEST: GoodTimes.gov.bc.ca
Importance: High

Hi folks,
 I've attached a domain registration form for goodtimes.gov.bc.ca. The intent is a super simple 1-page Wordpress site to serve as a landing page for digital ads my team will be creating that provide tips for young people on how best to party safely.
 This has Dr. Henry's endorsement, and we would very much like to stand this up before the August long weekend. I recognize this might not be possible. I'll be meeting with Garrett and his team, along with Nate King, on Monday morning to figure out whether our incredibly short timeline is workable or not.
 If you think the domain requires more descriptive copy, we would then recommend GoodTimesGuide.gov.bc.ca, but obviously prefer the shorter URL for its simplicity and the possibility of print collateral at some point.
 Thanks all,
 k

Hello!

Just a heads up – I've submitted a domain name registration and SSL cert order for goodtimes.gov.bc.ca. iStore 1038460.

I'm going to be pushing this one through as emergency, as it's covid related.

Thank you,

Lane

Business Justification for New Domain

PHO, Dr Bonnie Henry has endorsed a communications campaign, with some urgency, to reach British Columbians between the ages of 18 and 30, with tips on how to party safely. The goal of the campaign is to reach this audience where they are, with a unique treatment. The campaign is called 'Dr Henry's Guide to Good Times'.

We require a simple, 1-page Wordpress site (in very short order - ideally before the August long weekend), which will house the list of tips. Nate King will be contracted to build the site.

PROVINCE OF B.C. DOMAIN NAMING STANDARDS

The proposed URLs must:

--> Describe the service.

--> Use plain language.

--> No acronyms (unless the domain is for a new ministry).

Government Communications and Public Engagement must approve all URLs for public-facing websites or apps managed by **core government ministries**.

Core government ministries should also ensure a Web Property Application Form is submitted along with this Domain Name Registration | Transfer | Renewal form.

FREQUENTLY-ASKED QUESTIONS

What does it cost to register a domain name?

This service is a fixed quote service from SSBC and costs will change depending on requirements. Currently a domain name (.CA, .COM, .NET, .ORG, .INFO) costs approximately \$200 for a 5-year registration.

How long should I register the domain for?

Select a registration term between 1 and 9 years. Choose a term that's appropriate to the program need.

How long does it take before the domain name is registered?

--> After all necessary approvals are received by GCPE, the domain name will be registered within 5 working days.

--> A .CA domain will be active the day it is registered, but not accessible by the root servers for 24 hours.

--> Non .CA domains take 48 hours to activate.

Hi Kim,

I'm working on content and can get you a graphic and a blurb. Here is some draft copy and a graphic (attached).

DRAFT COPY:

Good times have been linked to community outbreaks of COVID-19 in BC. People in their 20s to 40s have spread the virus to friends, families, and strangers at house parties, bars, restaurants, and more. Let's help stop the spread. Follow Dr. Bonnie Henry's guide and we can have a good time, safely.

I'll follow-up with you and Kaitlyn on a new thread for finalized copy.

Hi all,

Checking in to make sure we're on track with ordering the SSL cert for GoodTimes.gov.bc.ca. As discussed with Karl on Monday we are running a marketing campaign and need to direct folks to "Dr. Henry's Good Times Guide" for the August long weekend.

Nate will have the site laid out by EOD today, and we'd like to go live tomorrow. Please let me know if there are any unforeseen issues.

Warmly,

Subject: NEW DOMAIN REQUEST: GoodTimes.gov.bc.ca

Hi folks,

I've attached a domain registration form for goodtimes.gov.bc.ca. The intent is a super simple 1-page Wordpress site to serve as a landing page for digital ads my team will be creating that provide tips for young people on how best to party safely.

This has Dr. Henry's endorsement, and we would very much like to stand this up before the August long weekend. I recognize this might not be possible. I'll be meeting with Garrett and his team, along with Nate King, on Monday morning to figure out whether our incredibly short timeline is workable or not.

If you think the domain requires more descriptive copy, we would then recommend GoodTimesGuide.gov.bc.ca, but obviously prefer the shorter URL for its simplicity and the possibility of print collateral at some point.

Thanks all,

k

Hi Kim,

I'm working on content and can get you a graphic and a blurb. Here is some draft copy and a graphic (attached).

DRAFT COPY:

Good times have been linked to community outbreaks of COVID-19 in BC. People in their 20s to 40s have spread the virus to friends, families, and strangers at house parties, bars, restaurants, and more. Let's help stop the spread. Follow Dr. Bonnie Henry's guide and we can have a good time, safely.

I'll follow-up with you and Kaitlyn on a new thread for finalized copy.

Warmly,

Sara Thaw

Sara – do you have content you can share with us? We're wondering if there is some basic content we could add to the COVID19 site and create a referral from COVID over to the Good Times site.

Can you connect us to who is working on this content?

Marlieke – be good to collect some of this content to determine how we may build into COVID 19

Thanks!

Klm

karl.hardin@gov.bc.ca, sara.thaw@gov.bc.ca,

FREQUENTLY-ASKED QUESTIONS

What does it cost to register a domain name?

This service is a fixed quote service from SSBC and costs will change depending on requirements. Currently a domain name (.CA, .COM, .NET, .ORG, .INFO) costs approximately \$200 for a 5-year registration.

How long should I register the domain for?

Select a registration term between 1 and 9 years. Choose a term that's appropriate to the program need.

How long does it take before the domain name is registered?

--> After all necessary approvals are received by GCPE, the domain name will be registered within 5 working days.

--> A .CA domain will be active the day it is registered, but not accessible by the root servers for 24 hours.

--> Non .CA domains take 48 hours to activate.

Subject: Re: NEW DOMAIN REQUEST: GoodTimes.gov.bc.ca

Hi all,

Checking in to make sure we're on track with ordering the SSL cert for GoodTimes.gov.bc.ca. As discussed with Karl on Monday we are running a marketing campaign and need to direct folks to "Dr. Henry's Good Times Guide" for the August long weekend.

Nate will have the site laid out by EOD today, and we'd like to go live tomorrow. Please let me know if there are any unforeseen issues.

Warmly,

Sara Thaw

Subject: NEW DOMAIN REQUEST: GoodTimes.gov.bc.ca

Hi folks,

I've attached a domain registration form for goodtimes.gov.bc.ca. The intent is a super simple 1-page Wordpress site to serve as a landing page for digital ads my team will be creating that provide tips for young people on how best to party safely.

This has Dr. Henry's endorsement, and we would very much like to stand this up before the August long weekend. I recognize this might not be possible. I'll be meeting with Garrett and his team, along with Nate King, on Monday morning to figure out whether our incredibly short timeline is workable or not.

If you think the domain requires more descriptive copy, we would then recommend GoodTimesGuide.gov.bc.ca, but obviously prefer the shorter URL for its simplicity and the possibility of print collateral at some point.

Thanks all,

k

You're set as an admin in WordPress already, but I believe Shawn had to make some changes so that we wouldn't have issues with the dynamic links in static files.

Can you check my permission on the production site? I'm not seeing the Assets Loader and as such I can't access the enqueued script file. Or move the CSS back to the media library.

Subject: DNS + SSL for goodtimes.gov.bc.ca

Good morning Service Desk,

We need DNS and SSL set up for goodtimes.gov.bc.ca. This is a new marketing site that will look to launch Friday or Saturday, so having everything in place by end of day Thursday would make sure everything is in place for Friday.

The SSL will be part of the WordPress UC SAN cert, so a CSR request will need to be sent to Jeff Stewart.

I'll attach the approved DNS Request form as soon as it is available.

Regards,

Steve
