

CTZ-2023-30146 - A complete list of all the public bodies served by Information Access Operations. (Date Range for Record Search: From 1/1/2021 To 1/1/2023)

Interpretation note:

The below list is inclusive of all requests received since January 1, 2021.

In 2022, three net new Ministries were created, and portfolios shifted.

The below list is inclusive of those 2022 changes to Ministry names and portfolios.

As well, IAO provides FOI services to organizations aside from core government ministries.

Those are highlighted below.
