			The FOI request that I have submitted is likely eligible for a waiver of fees on the basis of a matter of public interest. Based on my inquiries and that of others, it appears that a Senior BC Lands Manager (Director of Authorizations, Skeena Region), has not followed proper procedure as outlined in the Land Procedure: Management of Crown Lands for Conservation Purposes, notably S. 4.3.1. This is a direct contravention of established policy and procedures. S. 4.3.1 states, Prior to expiry
