Thanks again for these, Karla. I've made some edits in several of the notes, but only a few require some additional amendments:  
Aurora – please update with recent suspension info  
TMX – please address added comment  
Fed EA review – need to add the date, as noted.  
Otherwise, I think we're good to go.  
Thx again,  
K.

Hi Kevin,  
Below are the hyperlinks to the IN's for Minister's QP binder. The Ops Div notes have been reviewed and approved by Cory as a/ADM and the SSCD notes have been reviewed and approved by Kate as a/ED. Track changes have been left on so you can see where edits have been made. Time has been set aside in your calendar on Monday from 1:00pm to 2:00pm to review the notes.  
GCPE has asked that I manually compile the binder at their office for Thursday morning,

therefore it would be greatly appreciated to receive your approval by Wednesday. Thank you.
