Hi Paul,

Just a heads up: a tweet GCPE headquarters posted yesterday has been getting some backlash yesterday and today. Patti Bacchus has now picked it up. I've included a couple of twitter responses below.

This doesn't directly affect us yet, and we don't yet to respond... yet.

Hi you two,

It's the gift that keeps on giving: looks like this is a GCPE campaign, not just a one-off tweet. And they are still tweeting... The Edu-twitterverse is not amused.

We'll keep watching.
