Perfect – it looks like my calendar is free from 10-11ish right now on Friday. That would be really great – and I know from speaking to the other offices in Victoria some general direction would be helpful. Especially since many of the offices have new CAs. Thanks!

Hi Will and welcome! Today being budget day is not a great one for me. I would love to chat about coordination with you and would want to bring in our internal communications manager, who will be starting this week. Let's do a raincheck and try to set something up for later in the week – maybe Friday mid morning?

Hi Roseanne,

I don't think we've met yet. I am the new MA in Education. Previously I was Rob Fleming's CA in his constituency office. Coming from there I have a bit of insight and questions concerning the coordination between the two offices especially in relation to calendars etc. Do you have a few minutes today to chat about this? I'd leave my number but I still haven't gotten a phone.

Best,

Will
