Hey Scott,

I'm following up for the minister on a request by MLA Furstenau for an update on Cowichan secondary. We received the background note but needed to follow up with Reg/Joel on a few questions relating to it. Veronica and I both have time in the morning after 10:30 when Minister is in cabinet if someone is available to give us a call. Thanks!

Hi Andra –

Can you connect with MLA Furstenau's staff and set up a quick phone call between her and the minister. Preferably ASAP. It is regarding an update on Cowichan Secondary school. Much thanks!

W
