Hi Andra,

Thanks very much for reaching out to me. I will be able to give you a better idea of how to move forward with a meeting **within ten days**. We are currently working with the Premier to determine the next steps forward, which should be ironed out within that time frame.

I'll get in touch with you once I can confirm our trajectory.

Hope you had a pleasant holiday season.

Best,

Very unfortunately Mr. Hansen is not going to be available on the 8th. We have tried to arrange for the morning of the 8th by rearranging travel, but unfortunately this isn't going to be possible.
Mr. Hansen would definitely like to meet with the Minister, but unfortunately this month will not be a possibility.
Thank you very much for trying to accommodate this.

December 5th at from 11:30 to 12 is available for Minister Fleming.

Please confirm if this date works, attendees and the topic of discussion, which I understand to be from the letter, accessibility initiatives that benefit people with disabilities as well as Mr. Hansen's spinal cord research and care programs.

Good Afternoon,

I'm reaching out in the hopes of arranging a meeting between Minister Fleming and Mr. Hansen.

Thank you for providing those times and dates to my colleague Nicole. Please see my responses:

- ~~Tuesday, November 14 from 11:30 a.m. to 12:00 p.m.~~
- ~~Tuesday, November 14 for half an hour between 1:00 and 3:00 p.m.~~
- ~~Wednesday, November 15 for half an hour between 1:00 and 4:00 p.m.~~
- December 4th to 7th has availability in both the morning and afternoon – December 5th is

definitely an option that would work with Mr. Hansen's schedule.

Unfortunately the 14th and 15th of November Mr. Hansen will be in Ottawa.

We are currently planning a visit to Victoria in early November; the 7th and the morning of the 8th. Would Minister Fleming potentially have an opportunity to meet with Mr. Hansen on either of those dates?

Looking forward to hearing from you.

Beyond mental illness: Rethinking mental health and wellness

Monday, March 5 | 7:00pm – 9:00pm | ticketed event

[The Belfry Theatre \(1291 Gladstone Ave\)](#)

Join host Chancellor Shelagh Rogers for an intimate conversation with three eminent leaders in the field of mental health and wellness. You will be challenged to transform your thinking about society's traditionally narrow approach to mental illness and reconsider how we can all achieve improved mental health. Hear about promising strategies for supporting mental health, including equitable access to resources and a shift towards more holistic approaches. Learn about how an Indigenous perspective of achieving mental wellness necessarily considers connection to community, culture, history and land. How might such an approach, among other strategies, contribute to shifts in our healthcare care system and create wellness for all?

Speakers: Louise Bradley (CEO, Mental Health Commission of Canada), Michael Hayes (Director of the School of Public Health and Social Policy, UVic) and Richard Jock (COO, First Nations Health Authority)

The role of the sacred in Indigenous law and reconciliation

Thursday, March 8 | 7:00pm – 9:00pm

[Alix Goolden Hall \(907 Pandora Avenue\)](#)

It is often said that Indigenous peoples' relationship to the land—and Indigenous peoples' law—is sacred. What does “sacred” mean in this context? What should it convey to non-Indigenous Canadians when they engage with Indigenous peoples? How can you understand another person's sense of the sacred?

Two of UVic's leading Indigenous scholars, John Borrows and Val Napoleon, will discuss the sacred in Indigenous law and reconciliation. They are key figures in UVic's proposed dual-degree program in Canadian law and Indigenous law. In this conversation, they will explore the nature of Indigenous law and pose important—and challenging—questions about the role of the sacred.

Speakers: John Borrows (Canada Research Chair in Indigenous Law, Faculty of Law) and Val Napoleon (Law Foundation Professor of Aboriginal Justice and Governance, Faculty of Law)

Confirm regrets sent for MRF. Sned to DMO for decision.

I write further to my email below and my conversation with your office this morning. I understand Minister Fleming is in session on March 15 and therefore unavailable to attend the Gala but that there may be some prospect that Deputy Minister Scott MacDonald may be able to attend . We would be honored to have him attend our Gala and show the government's support our initiative to empower young people living with cerebral palsy to achieve post-secondary education. Deputy Minister MacDonald would be welcome to stay for dinner and enjoy the entire evening with us as our guest, or if time does not permit, simply to attend to provide opening remarks.
I look forward to hearing from you at your earliest convenience. Please do not hesitate to contact me if you have any questions or require any additional information.

Subject: An Invitation to Attend the Cerebral Palsy Association of BC Gala - March 15, 2018

Dear Honourable Minister Fleming,

I am reaching out to you in my capacity as President of the Cerebral Palsy Association of BC to extend a warm invitation to you to attend the annual Cerebral Palsy Association of BC Gala being held at the Sheraton Wall Centre on the evening of **March 15, 2018**. Our theme this year is education, specifically supporting and empowering young people living with cerebral palsy to achieve their goals through advanced education.

As you are aware, often, the financial costs and medical demands caused by their disability create barriers to funding post-secondary education for student with cerebral palsy and other disabilities. I have personally met with several recipients of education bursaries granted by the Cerebral Palsy Association of BC and their stories of what they have been able to achieve are truly remarkable. For this reason, my firm, Pacific Medical Law, has been supporting the education bursary program at the Cerebral Palsy Association of BC for several years now and will continue to do so, with the firm belief that education opens doors and creates opportunities.

I am hopeful you and your government share our view of the importance of supporting young people living with cerebral palsy with their educational goals. We would be grateful if you, or another appropriate representative, would be our guest at the gala, and provide some brief introductory comments reflecting your support of people living with cerebral palsy working toward and achieving their educational goals, and perhaps sharing some of the ways in which your government supports students with disabilities.

On March 15, 2018, we will be celebrating the accomplishments of past education bursary recipients, and supporting future young people in pursuing their educational aspirations, and encourage your government to join us in this initiative.

Please do not hesitate to contact me directly with any questions you may have. I look forward to hearing from you.

Kind Regards,

Susanne Raab

Dear Minister Fleming,

RE: Meeting request concerning improved oral care

I am writing to you on behalf of the British Columbia Dental Hygienists Association (BCDHA) and the Canadian Dental Hygienists Association (CDHA) to request a meeting on Monday, March 5th. Our two organizations will be gathering in Victoria to meet with elected officials and other key stakeholders to discuss advancements in preventative oral healthcare and improvements to the scope of practice legislation.

Access to professional oral care is vital to the maintenance of good oral and overall health. Our groups work to ensure everyone has access to a high level of service and care. Good oral health is also important for supporting economic and social wellbeing, and we look forward to speaking with you about how it can be supported in B.C.

Formed in 1964, the British Columbia Dental Hygienists Association represents nearly 3,600 member dental hygienists across the province. We are dedicated to the principle that all British Columbians should have access to the quality preventative oral health services dental hygienists provide. BCDHA is the professional association for dental hygienists, providing members with practice supports and tools, continuing education and advocating on behalf of the profession. CDHA, our national organization is the collective national voice of more than 29,000 dental hygienists working in Canada.

It would be greatly appreciated if you are able to make time for a short meeting on March 5th to meet with us and our colleagues. Please confirm your availability with Matthew at matthew@impactcanada.com. He will be following up with your office shortly to confirm receipt of this letter. We are looking forward to hearing from you and your consideration is appreciated in

advance.

Sincerely,

Good Morning Rob,

We would like to book a meeting to discuss with you an exciting opportunity with Kinsol Play for natural playground systems that use BC sustainable harvested timber and constructed on First Nation lands. We have designed, built, and showcased many projects in the Lower Mainland and are looking to deliver these same playgrounds here on the Island. Here at Purdey Group, Kinsol's parent company, we are also real estate developers and are looking to donate some playgrounds in Victoria as part of our community amenity packages.

Respecting that you are a busy MLA, we are able to meet at your convenience.

Thank you for your time,

Good afternoon Minister Fleming,

Can you tell me if you will be using the two complimentary tickets to our March Celebration of Success event, or if you plan to send someone from your Ministry in your stead? A couple of emails were already sent out from Diane Sowden, our Executive Director, and I am following up with those who have not responded.

When you have a moment, could you let me know if you plan to attend our event on March 15th at Heritage Hall in Vancouver?

Thanks so much!
