Great debrief telcon a moment ago, thank you. As discussed, Destination Canada does offer an opportunity as it will take place in Paris on Nov13-15 and in Brussels on Nov. 17th 2018. I understand that BC has been represented in past iterations in Belgium (eg. HORECA sector) but that it could be a first in the Education sector. --v

Thank you so much to you and the embassy team Vincent. Much appreciated and it sounds like we will continue to have conversations as we work to formalize an agreement.

Passive building présentation was inspiring and the Architecht brought à Belgian entrepreneur expert in passive building which has recently come to live in Vancouver (Willemen construction). Cards were exchanged, the conversation will continue in BC.

Minister and Del seemed pleased.

EUROPEAN MISSION – FULL ITINERARY

- The official mission itinerary is being updated to reflect an additional meeting on Saturday April 7, 2018 at the Anne Frank Museum in Amsterdam.
- Rationale for update:
 - An opportunity for a meeting was identified during the delegation’s visit to Amsterdam, and the Dutch government arranged for the delegation to meet with the Museum Director and Project Coordinator.
 - The purpose of the visit was to explore possible connections to official delegation business (education programming and sharing of information). A member of the Dutch government accompanied the delegation to the meeting.
 - Follow-up items from the visit to the museum include the exploration of collaboration with the Anne Frank Museum and the Provincial Museum (i.e. potential traveling exhibition) and the exploration of K-12 curricular tie-ins and resource materials.
