I can call Paul first thing tomorrow. What time is best? They are looking for an hour. I just don't want to change it again! Haha

Yeah! I was wondering what that "off site" thing was. That's the thing with Paul Corns right? Are any other mlas coming along?

I meant to bring this up this morning:

The comms folks have marked the 15<sup>th</sup> & 16<sup>th</sup> of November as a tour on their calendar. We have that Bayview offsite meeting booked on the 15<sup>th</sup>. I need to know ASAP if that needs to get rescheduled. I could potentially move it to Tuesday the 14<sup>th</sup> and have the other meetings moved around.

These folks have been waiting since August and have rescheduled 3 times, so I'd like to get this sorted!

Cheers 😊

Hi Kathy,

I received a message from Bruce Kilpatrick about a meeting request with Minister Fleming. My apologies as the minister's schedule has been quite full but I can set something up if you're available to come down to the legislature building for 5pm today or I could have the Minister give you a call when you are available.

Let me know what works.

Best,  
Will

Yes, done; however, it did ask for Minister or anyone from the Minister's office. They are from MRF's constituency.
