**Subject:** EP - SURREY - SITE OPTIONS

Hi Kate see below for some options for the 30<sup>th</sup> and attached is our EP.

We can of course do the event at the school PJH is speaking at but the suggestion if time permits is to at one of the other schools or Surrey Board office - as it's apparently a very nice facility, but wouldn't have children. We could always do the school announcement in morning and PJH could do speech in afternoon. It's up to PO's discretion though.

---

**Updated the EP with a list of potential locations for the announcement on April 30<sup>th</sup>. Please note - we now do \*not\* expect the 2<sup>nd</sup> land purchase to be complete by April 30<sup>th</sup>, so we have removed that. The four projects to be announced still total nearly \$70m.**

**For ease of reference, the possible announcement locations are below—**

**Coyote Creek elementary (MLA Brar's riding) is closest to Tamawanis Secondary.**

- **Coyote Creek Elementary – 8131 156<sup>th</sup> Street, Surrey (10km from Tamawanis)**
- **Frost Road Elementary – 8606 162<sup>nd</sup> Street, Surrey (12km from Tamawanis)**
- **Douglas Elementary – new school, vacant site adjacent to Dufferin Park, 17355 2 Ave, Surrey (24k from Tamawanis)**
- **Sunnyside Land Acquisition – 16588 20<sup>th</sup> Ave, Surrey (14k from Tamawanis)**
- **Sunnyside Elementary School (existing school) - 2828 159<sup>th</sup> Ave., Surrey (14k from Tamawanis)**

### **Background:**

Government is investing \$63.7 million for three capital projects and a land acquisition:

1. 605 space new elementary in Douglas - \$24.3 million
2. 150 space addition at Frost Road Elementary in Fleetwood - \$5.6 million
3. 150 space addition at Coyote Creek Elementary in Fleetwood - \$4.9 million
4. Land Acquisition for a future elementary school in Sunnyside - \$28.9 million (includes \$1.4 million SD contribution)

The new school and additions will add up to 855 new K-7 spaces in Surrey.

Construction on the new Douglas elementary is expected to start in March 2019 with completion in December 2020.

Construction at both Coyote Creek and Frost Road is expected to begin in April 2019 with completion in June 2020.

Sunnyside Elementary (the school where the event is being held) is not receiving any capital funding with this announcement. The future elementary school to be built on the land purchased, along with the new Edgewood Elementary School (formerly called Grandview) and addition at Pacific Heights Elementary that were announced in December will help relieve enrolment pressures at this school.

### **Surrey schools**

These new investments are in addition to the thousands of seats currently under construction in Surrey schools. A new Grandview Heights Secondary and two new Clayton area elementary schools, as well as classroom additions at Sullivan Heights, Panorama Park and Woodward Hill elementary schools, have already been announced. Work is underway on the 1,500-seat Salish Secondary, expected to be complete this fall.

Growing student enrollment in Surrey continues to drive overcrowding and receive significant media attention. Since 2001, student enrollment has increased 18% – from 58,648 students to about 69,446 in 2015/16. The Surrey School District currently has about 325 portables, up from about 270 last year.

Recently, a summit was held in Surrey between Minister Rob Fleming and other ministry officials, as well as representatives from the City of Surrey and Surrey School District to discuss ways to accelerate new school construction to address space pressures.

Including today's announcement, Government has invested over \$107 million dollars for two new elementary schools, three additions, two seismic upgrades and a site acquisition since September 2017. These include a new \$24-million, 655-seat Edgewood

elementary school in Grandview Heights and a \$9-million 300-seat expansion at Pacific Heights Elementary school.

- For too long, investment in Surrey schools did not meet the growth of the district.
- We're working to fix the situation.
- Today we are announcing a new elementary school, the expansion of two existing schools and the purchase of land for a future school to support people in Surrey's growing communities.

**TRADITIONAL TERRITORY:**

- Coast Salish people

- I would like to start by acknowledging we are on unceded Coast Salish territory.
- Thank you all for being here today.
- Public education changes lives and unlocks prosperity.
- It is the foundation of a fair society, where every kid can reach their full potential.
- It is our job to empower the next generation.
- To give them the tools they need to make our province a better place.
- That starts in our classrooms.

- For years investments in Surrey schools have not kept up with growing enrollment.
- Too many students in Surrey have spent too many years in overcrowded schools.
- Kids have been waiting too long for the schools they deserve.
- That is why we have moved quickly to build new classrooms in Surrey.
- Since August we have invested \$33 million in new classrooms for this growing community.
- Today we are announcing another \$64 million in new investments in Surrey.

- They include a brand new school for the Douglas neighbourhood
- As well as expansions at Frost Road Elementary and Coyote Creek Elementary
- And the purchase of land in Grandview Heights for another school.
- These investments will provide another 850 Surrey students with new classrooms.
- And this is just the beginning.
- We are very pleased to be working in partnership with the Surrey School District and the city to get schools built as quickly as possible.

- We will continue to work together through the Surrey Project Office to find solutions and accelerate projects.
- Together, we're investing in schools, in classrooms, and in a better future for our children.
- We will make sure all kids in B.C. get the quality education and opportunities they deserve.
- Thank you.

Office of the Premier  
Ministry of Education

### **Premier announces new classrooms on the way for Surrey students**

SURREY – A new elementary school, two additions to existing schools and the land needed to build another school, will help ease overcrowding and improve classroom conditions for students in Surrey, Premier John Horgan announced today.

“Surrey students and their families have been waiting too long for new classrooms for their growing school district. The wait is over. We’re getting it done,” said Premier Horgan. “We are delivering the safe and comfortable schools kids in Surrey deserve.”

The Ministry of Education is investing almost \$64 million to:

- build a new elementary school in the Douglas area of South Surrey;
- expand Frost Road Elementary and Coyote Creek Elementary schools in Fleetwood; and
- buy land for a future elementary school in Grandview Heights.

“We have been working hard to accelerate the approval of capital and seismic projects throughout B.C.,” said Rob Fleming, Minister of Education. “These three projects and the land purchase will relieve pressure on the surrounding schools in Surrey, reduce the number of students learning in portables, and make life better for students, educators and parents.”

The new \$24.3-million, two-storey elementary school will be built beside Dufferin Park, and will accommodate 605 students. It will have a Neighbourhood Learning Centre (NLC) with two child-care rooms, as well as project, media and technology spaces and outdoor washrooms. This school will help relieve enrolment pressure at nearby Hall’s Prairie Elementary, Pacific Heights Elementary and South Meridian Elementary. Construction is expected to start in March 2019 and be complete by December 2020.

“Our board has been pushing hard and working closely with Minister Fleming to obtain funding for new school spaces for our students, so it is wonderful to see the government making these investments,” says Surrey Board of Education chair Laurie Larsen. “I know our trustees join our students, staff and parents throughout the Surrey School District in welcoming the announcement, and we all look forward to the next one.”

The \$5.6-million addition at Frost Road Elementary school will create six classrooms, with space for 150 more students. Four portables currently at the school will be removed at the end of construction.

Coyote Creek Elementary school’s \$4.9-million expansion will add four classrooms, creating 100 new spaces for students. Two portables will be removed once the project is complete. Construction at both Coyote Creek and Frost Road is expected to begin in April 2019, with completion anticipated in June 2020.

These three projects, combined, add up to 855 new K-7 spaces in Surrey.

The Province is also investing \$28.9 million to purchase land for a future elementary school, at the southeast corner of 20th Avenue and 165th Street. The school will be needed to accommodate the growing number of students in the South West Grandview Heights area, and will relieve pressure at the existing Sunnyside Elementary. The Surrey School District is contributing \$1.4 million toward the site purchase.

Including today's announcement, government has invested \$107 million for two new elementary schools, three additions, two seismic upgrades and a site acquisition since September 2017. These include a new \$24-million, 655-seat elementary school in Grandview Heights, and a \$9-million, 300-seat expansion at Pacific Heights Elementary school.

**Quick Facts:**

- Budget 2018 invests a record \$2 billion in school capital projects over the next three years.
- As of September 2017, the Surrey School District has 70,736 students in K-12, the highest student enrolment in British Columbia.

Hi all –

See attached Surrey materials for Monday's event. NR, QA, PJH SNs, and Surrey Investments doc.

Note, the NR is still with finance for confirmation of #s, and we are still waiting on a board chair quote.

Thanks

## **KEY POINTS REGARDING SURREY CAPITAL ANNOUNCEMENT – APRIL 30 2018**

The Ministry of Education is **investing over \$62 million** to:

1. Build a new elementary school in the Douglas area of South Surrey
2. Addition at Frost Road Elementary in Fleetwood Area –Community to the North of the Fraser Highway
3. Addition at Coyote Creek Elementary in Fleetwood Area –Community to the South of the Fraser Highway
4. Buy land for a future elementary school in Grandview Heights.

### **New Douglas Elementary - \$24.3-million**

- Space for up to 605 students
- Two-storey elementary school built beside Dufferin Park
- Will have Neighbourhood Learning Centre (NLC) with two childcare rooms
- Project, media and technology spaces and outdoor washrooms
- Will help relieve enrolment pressure at nearby Hall's Prairie Elementary, Pacific Heights Elementary and South Meridian Elementary.
- Construction is expected to start in March 2019 and occupancy in September 2020.

### **Addition at Frost Road Elementary School (Fleetwood) - \$5.6-million**

- Six classrooms with space for up to 150 students
- Four portables currently at the school will be removed at the end of construction
- Construction is expected to begin in April 2019 with occupancy April 2020

### **Addition at Coyote Creek Elementary School (Fleetwood) - \$4.9-million**

- Four classrooms with space for up to 100 students
- Two portables will be removed once the project is complete.
- Construction is expected to begin in April 2019 with occupancy April 2020

### **Land purchase for future elementary school (Grandview Heights) - \$28.95 million**

- Site is located at the southeast corner of 20th Avenue and 165th Street
- The future school will be needed to accommodate the growing number of students in the South West Grandview Heights area, and will relieve pressure at the existing Sunnyside Elementary.
- The Ministry has requested a PDR for a new school at this location to be delivered to the Ministry this fiscal year.

Update – my mistake ignore the Sunnyside location. It's actually NOT at the school. Ugh.  
Call if you need more information – we will await PO's decision.

3 options

- 1) Stay at the high school
- 2) Close by elementary school – staff is looking into this right now
- 3) Sunnyside elementary (18 minute drive away)

Gorgeous new school that we are adding an addition on to

Note: was used in 2014 for government announcement of the schools completion

Okay, draft speaking notes and NR attached, with the caveat that FIN is still reviewing. We are also waiting for a quote from Surrey School Board Chair Laurie Larsen to plug into the NR-hoping to have that by tomorrow.

Cheers.

Thanks! Two things to update that came out of our comm meeting today:

Adding MLA Cediux and Hunt to invite list

Updating the Q/A on cost share.

Hi all –

See attached Surrey materials for Monday's event. NR, QA, PJH SNs, and Surrey Investments doc.

Note, the NR is still with finance for confirmation of #s, and we are still waiting on a

board chair quote.

Thanks

Emily
