Good afternoon Lindsay,

Thank you for letting us know Minister Rob Fleming is unable to attend our annual gala. Would it be possible for him to provide us with a welcome letter to put in the evening programme? I have attached examples of letters written by past Ministers of Education: Minister Bernier and Minister Fassbender. If yes, we would be very grateful and we would appreciate having something completed by April 13th.

I also wish to extend an invitation for Minister Fleming to visit PALS Autism School at his convenience. In the past, PALS Autism School has worked closely with the Ministry of Education, helping to advocate for the Special Education School designation and extra funding that comes with that designation. I would love to show Minister Fleming our unique school, introduce him to our special students and show him how our funding is used.

I look forward to hearing from you.

Sincerely,

Andrea Kasunic
