I did see that. I called the woman who sent it and there was a reply all. Susan V is a good idea though!

Hey Melissa – maybe you saw this email on your leg account already. I guess more offices got the BCTF letter than we thought. Can you reach out to Susan V and let her know situation so she can send out an email to everyone explaining there is no need to respond as Minister Fleming will and if they have any questions to get in contact with you.

Hi & sorry for the “reply all” but I heard last week from MoE’s EA Melissa that they are aware of these letters & are dealing directly with BCTF so no need to respond. (I think she was actually calling each office to let us know.)

Cheers,
Kelly

Subject: letter from BCTF?

Hi Everyone,

Curious to know if anyone else received a letter from the BCTF with the following concerns (see attachment).

If you have received a similar letter, could you please contact me directly?

Thank you,

Laura
