Good morning again!

Updated version of Speech No. 2 following MCFD's input on preferred EASE program references and to avoid duplication with Minister Darcy's speech earlier in the day.

Only changes here are to the EASE bullets.

Thanks for all,

Erin

Subject: NR and SNs-SCMHC 2019

Good afternoon!

The conference NR and SNs are attached for your review.

Attached are two versions of the NR, based on feedback received from MMHA and MCFD MOs – one with track changes, and the other with all changes accepted.

MMHA asked for changes to make clear that the \$3M in new funding is helping with general mental health promotion, rather than specifically supporting students who are

already struggling.

MCFD asked for no funding references to be included in regards to the EASE program.

We're wondering if you have any concerns with the proposed changes?

Minister Fleming's speaking notes are also attached.

One question – Jenn M suggested I list the MLAs who will be in attendance. Do you know who will be there?

Thanks for all,
Erin
