Dear Minister Fleming,

I am writing to you because of one of our students, Daniela Hoolaef, s.22 from Sooke, BC, recently volunteered with our program in Ghana. She has gone over and above the expectations of a volunteer there and has been fundraising for a not for profit pharmacy in the village she volunteered in. She recently was awarded a great honour from Her Royal Highness Princess Anne, but the presentation was made in the UK to our director, Cam Sylvester, on her behalf. We are looking at ways we can acknowledge this student and give her her certificate and an acknowledgement that measures up to what she missed out on by not being able to be present in the UK to meet with this esteemed member of the Royal Family. Below is a photo of HRH Princess Anne presenting Daniela's certificate to our director. Let me know if I can provide more detail, but do let me know if there's any way possible of organizing something with your office to celebrate this student's amazing achievement. I can be reached at 778-322-9274 or at this email address.

Hey All,

Currently there are four meetings scheduled at 2:30, 2:45, 3:00, and 3:30pm. While I assume three of those would be amenable to being moved, the meeting at 2:45pm is not available any earlier. It's with the ACT Foundation <http://actfoundation.ca/> and they have been trying to meet with Rob for quite a while and it is a crossover meeting as well pertaining to Education and Constituency. They are okay with a phone call but would prefer the 2:45pm face to face so if we could keep the meeting times as they are, it would be great.

Perhaps QP Prep could be moved till 11:00am with the CA Meeting happening at 1:00pm?

Let me know,

Hey Andra,

Could I place a hold on February 8th for Constituency meetings? I see there are a couple of potentials already for that date, but given the amount of Vancouver trips upcoming, this date looks the most likely.

We could have constituents go to the Leg for meetings at noon or have them at the Constituency office at 2:30pm? I have 3 that would be likely booked so an hour would be great.

Let me know if this can be accommodated!

Thanks ☺

Hi Angela
Regarding the "Real Acts of Caring Week" proclamation we are hoping it can be read in the House on Feb. 13 @ 2:30 based on the information from the School Tours department (I have copied Sally @ Tours on this email) who has booked them into the house at approximately 2:10p.m. on Feb. 13 for 20 minutes. Please let me know if that works. The school group of approximately 40 students and teacher(s), although still to be confirmed, will likely be attending from SD43 in Coquitlam.

Minister Fleming accompanied MLA Glumac last June on a visit to a school in MLA Glumac's riding to meet with students on the Real Acts of Caring committee at Banting Middle School (also SD43). If possible, it might be nice if MLA Glumac was the Private Member that read the statement.

Hi Erin, Sean and Corinna,

Back in August, a teacher (Harriette Chang) and a group of students from Coquitlam SD met with our team here at the

Ministry to share information on their Real Acts of Caring initiative, and to request a provincial proclamation for February 10-16, 2019 as Real Acts of Caring Week. That request was approved by the Minister, and I now have the printed proclamation all ready to go.

We were planning to draft a letter from the Minister and to mail a copy of the proclamation to Ms. Chang and her students, however they have requested the opportunity to come to the parliament buildings in February to hear it being read - see below. If this were to happen, we could potentially have the Minister give them the proclamation in person.

Could you please let me know how your team and the MO would like to proceed with this request?

Thanks all.

Cheers,

Scott

P.S. FYI, the Minister also approved the proclamation for Bullying Awareness Day (Pink Shirt Day), and I have the printed proclamations for that in my possession too - for when the time comes re our Pink Shirt Day activities.

Hello!

Lovely to hear from you as always. The students still speak so highly of their experience presenting in Richmond. They are now in the midst of prepping for their next RAC Christmas outing, city council presentations, and having posters made for every school in BC to promote the idea of RAC.

We are still very hopeful that a provincial proclamation will be passed and want to thank you again for helping us with this. Is there anything which we can do to help? If a provincial proclamation is passed again, a number of RAC students representing different schools and school districts in BC would love to come to the parliament buildings in Victoria to hear it being read in February. I don't wish to bother you. Is there another person whom I can contact to work this out? In the past, we have had local MLAs helping us out.

Hi folks!

I know you have been receiving a lot of calls on the catchment changes SD 61 have been proposing. Please remember that these are school district matters and if parents are unhappy with the changes they should direct their comments to the duly elected school board. The district has assured us they are working with the parents and are available for comment.

Victor School/Catchments:

<!--[if !supportLists]-->•<!--[endif]-->**As you know, the Greater Victoria School District is reviewing their catchment boundaries to make the best use of their facilities and to give students the best learning experience possible.**

<!--[if !supportLists]-->•<!--[endif]-->**It's always important that districts have fairness and student success in mind when they choose how to use their facilities.**

<!--[if !supportLists]-->•<!--[endif]-->**I know the value of Victor School and how special it is to the community; I have spoken to trustees and I know the Greater Victoria School board does as well.**

<!--[if !supportLists]-->•<!--[endif]-->**I understand no final decision has been made, and I'm pleased the board is continuing to consult with parents. These decisions must be made with the best interests of students and parents in mind.**

<!--[if !supportLists]-->•<!--[endif]-->**I encourage anyone who has concerns or an interest in this issue to make their voice heard.**

<!--[if !supportLists]-->•<!--[endif]-->**Staff in my ministry are available to assist the district as it moves forward with any new decisions around its catchment boundaries – however, the ultimate decision on catchment areas rests with the board.**

The highlighted bullets are specific to Victor, but the sentiment is the same for South Park. Please let me know if you have any questions!

Have a great day!

Hi Ally!

Hope you are well! No advice. Draft Minister is fine. Thanks!

Just getting things coordinated as I take over the inbox again, so there may be some hiccups between Will and I.

Thanks for your patience!

Melissa

Hey Melissa,

This was flagged as Staff Advice. This incoming was also sent to the Minister's inbox and was logged as Draft-Minister (207913 – staff currently working on draft), can you please advise if we should still get staff advice or if this can continue as Draft-Minister?

Thanks!

Ally

Dear Mr. Fleming. I want to thank you and Minister Darcy for your recognition yesterday of the importance of early mental health intervention in BC schools. I am an elementary teacher counsellor on the South Island with a caseload of 1:1250. I support 4 elementary schools in my district. I am often the first line of support for the children and families in my schools with mental health concerns as they are placed on wait lists for government mental health agencies, paediatricians and psychiatrists as well as other community agencies. **s.22**

s.22

I notice that there is only one training session on the island in Campbell River and it is not on an NID for the South Island school districts. This would mean that teachers but more specifically teacher counsellors in Sd61, 62 and 63 who were wanting to get started on this program right away would be doing so at significant personal cost if in fact they were able to be out of their schools for that day. Is there any possibility of offering training this year on the

South Island so that myself and my colleagues can pick up from where the FRIENDS mental health program left off with our students and families?

Thank you again for your value of mental health support for our public school students. I look forward to incorporating the new program and resources into my daily practise in my schools.

Could I get a clip from about 50.16 - 1:15.11

Starting right after "please to hear this" & before "it's now time"
Ending after "once and for all"

Wondering if it'd be possible to get another clip from the same start time to 1:31.6
Don't need this one right away, its more of a nice to have.

And a questions - will the final clip have subtitles?

Thank you so much!!

For sure. We used a contractor videographer for this shoot, so it may take a bit longer, but I'll reach out to him

now and keep you in the loop __

Hi Mat,

Yes please. How long is the speech? There is apparently a section where MRF mentions funding and there was a loud cheer. Can we check out the full speech and cut it into a sharable soundbite after?

Happy to chat about it!

Hi Melissa,

That shouldn't be an issue.

Would you like Minister Fleming's speech in its entirety?

Cheers,
Mat
