Hi Julie,

MLA Dean has requested meeting bullets for her meeting with the Mayor of Esquimalt to discuss the French teacher shortage at [Macaulay Elementary](#). The meeting has yet to be finalized but is tentatively set for December 17th.

Secondly, she is hoping to have a staff person from the Ministry call into the meeting as well.

Rob

THANK YOU so very much for your attendance and your session during our DPAC Leadership Summit. I am truly appreciative of the time you spent with parents, sharing information and answering questions. This depth of Ministry engagement is vital to parent engagement and, as you saw for yourself, so needed and so warmly welcomed.

All of the Ministry of Education staff who attended and presented were equally gracious with their time and knowledge sharing; their commitment to parent input was very clear as they remained long and answered many questions.

Once again, the Summit proved to deepen engagement with parent leaders; it left them inspired to better perform the role they were elected to do within their districts for the benefit of students.

With that in mind...I would dearly appreciate it if you were able to attend and speak at our annual May Conference, May 3, 2019. As this is the wider parent audience, a 60 minute session of similar format, delivered end of day or after lunch, would be another great 'win-win-win' opportunity.

Kristallnacht

Choosing Action over Indifference

Thursday, November 8, 2018 – beginning at 7 p.m.

Congregation Emanu-El Synagogue, 1461 Blanshard Street

Dear Community Leader:

On behalf of the Victoria Shoah Project, I invite you to attend the annual remembrance of Kristallnacht (Night of Broken Glass). This year's commemoration will take place on **Thursday, November 8th, beginning at 7 p.m. at Congregation Emanu-El Synagogue, 1461 Blanshard Street, Victoria, BC V8W 2J3.**

We are a diverse collective of Shoah survivors, descendants, educators and caring individuals whose primary focus is to continue finding innovative, informative and inspiring ways to honour, commemorate and educate about the Shoah. We are sponsored by Congregation Emanu-El.

On Thursday, November 8th, we will together remember what took place on the evening of November 9th, 1938. Kristallnacht targeted Jews solely for who they were with planned attacks on Jewish owned stores, buildings, and synagogues in Germany and Austria while authorities did nothing to stop the assault. The name "Kristallnacht" refers to the pieces of broken glass covering the streets but represents the broken lives, forever changed by this tragedy.

November 9th, 1938 was only a hint of greater harm to come. The history of Kristallnacht reminds us of how quickly lives can be shattered. Kristallnacht is not just a painful scar in the pages of Jewish history but a lesson for all humanity. All of us have a responsibility to respond promptly and loudly at the first appearance of injustices targeting any group. This message is particularly significant in today's world when acts of irrational and violent prejudice are all too common.

Our program will remember all who perished in the Holocaust with a candle-lighting ceremony by survivors, second- and third-generation descendants, as well as students and youth, representing our ongoing hope for a future of peace. In addition, the program will include a variety of other speakers, musicians, and the reading of our Pledge of Mutual Respect and Support by politicians, multi-faith representatives, and law enforcement leaders from the Victoria community and others in attendance.

Please join us to remember the past and envision a better future where we will respect and protect our neighbours, not remain silent in the face of any injustice against any person or group, and work towards building bridges leading to unity and shalom (peace) in our community and beyond.

Computer Science week is December 2-8, 2018 and to celebrate this event plus encourage students to program/code we are participating in the world-wide event, Hour of Code.

Hour of Code will be happening at Esquimalt High School on Friday December 7, 2018. We would love for you and/or members of your ministry to come and join us for one hour(or part of an hour) that day and join our students and staff for coding activities.

Any ability levels are welcome.

Students will be experiencing Hour of Code in our computer graphics media lab from
9:47am - 10:51 am

11:46 am - 12:50 pm

12:55 pm - 2:00 pm

Thank you for your consideration and we hope to that you are able to code with us on Friday December 7, 2018.

Hello Rob!

I'm attempting to put together a screening my film, *Us and Them*, for the Legislative Assembly of BC. I have also reached out to Minister Judy Darcy, Minister Scott Fraser, and Minister Carole James, who thought this was a great idea. I'd also like to talk to you about ways to get the film into the school system. Perhaps we could schedule a meeting during your office hours to discuss?

The film screened on Parliament Hill, and the event was hosted by Minister Jean-Yves Duclos during the National Poverty Conference. The film influenced the newly released Poverty Reduction Strategy in Canada. Hopefully it could have a similar influence here in BC.

Looking forward to hearing back from you!

Hi Ally,

Edena and I were thinking of having it be a joint response between the Ministries, rather than separate responses. Edena reached out to Rhea to see if that was advisable and if so to confirm which Ministry was best to take the lead on the joint response. Would you mind clarifying with Rhea if this is there understanding?

Hello,
Attached is an event plan and guest list for November 22nd's launch of the Capital Renewal Fund. This was part of the 30 point housing plan. This fund helps retrofit older housing stock for more energy efficiency and to reduce GHG emissions.
The event takes place at Argyle Manor. As your Ministers are all South Island MLA's we are hoping they and you may have input as to local stakeholders they think should be invited.

Hey Nadia,
We received an invite from Frank Hobbs Elementary to attend a special recognition assembly at the school of morning of Monday December 10th to thank the government for their \$78,401 Community Gaming Grant. Minister Robinson cannot attend, and as MRF is the closest MLA, we wanted to see if MRF would like to attend the event on behalf of the government. The elementary school is

technically in Oak Bay-Gordon Head.

Would MRF be interested?

#yyj parents will soon have access to 439 new #childcare spaces thanks to new partnerships between @BCGovNews, @SD61schools & local non-profits <https://news.gov.bc.ca/18561>

We're thrilled to see @SD61schools stepping up to create new #childcare spaces to support #yyj parents who are struggling to find care for their children <https://news.gov.bc.ca/18561>

Facebook Post – MKC

We've committed to supporting the creation of 22,000 new child care spaces over the next three years as part of our *Childcare BC* plan. We're starting today with more than 400 new licensed child care spaces in Victoria, created through a partnership between the Province, the Greater Victoria School District and several local non-profit organizations. These spaces, which will be located on the grounds of six elementary schools, offer fully inclusive care for children with extra support needs, as well as wrap-around services for local families. <https://news.gov.bc.ca/18561>

Hi Julie,

The attached incoming from the BC Teachers Federation is addressed to both Minister Robinson and Minister Fleming. Our MO has advise that we do a joint response. Can you advise if your MO is aware of/okay with that?

If so, once we get approved wording from our staff, I can send the draft over to you to get EDUC wording.

Does this approach work for you?

Subject: RE: Messaging?

Hi Preet,

I hope this e-mail finds you well. The following information bullets were created for your constituents query, regarding vaccinations:

- The communication to parents/guardians and staff at Fleetwood Park Secondary School, including the directive for un-immunized staff and students to stay away from the school until November 26, 2018, unless proof of immunity is obtained, *was issued by the Fraser Health Authority (FHA), not the Surrey School District*:
<https://www.surreyschools.ca/schools/fltsec/NewsEvents/Newsletters/Documents/Fraser%20Health%20Letters.pdf>
- In BC, a Medical Health Officer (MHO) has the legislated power through the *Health Act* to declare an outbreak. Typically, a disease outbreak is defined as the occurrence of disease in excess of what would normally be expected in a defined community, geographical area or season. As measles is extremely rare in Canada, an outbreak could be declared after one or more cases have been identified.
- Immunization is not mandatory in Canada; however, *in the event of an outbreak, a MHO has the power to exclude individuals from attending a public place (such as a school) until the outbreak has been declared over*. Only a MHO can declare an outbreak over.
- FHA cannot comment on the immunization status of individuals due to privacy and confidentiality related issues.
- FHA and the Ministry of Health have made a policy decision to not offer exposure testing to children at this time. However, parents wishing to determine previous exposure and immunity levels with measles are free to visit their family physician to make this request for testing. For children who are unimmunized, and who have had no previous infection of measles, it can be safely assumed that there has not been exposure and therefore exposure/immunity testing is not necessary.
- Children who are unimmunized can receive a vaccine free of charge. If immunization services are waived, unimmunized children must wait until the outbreak has been declared as over before returning to class
- Additional questions and concerns regarding the measles outbreak and FHA's directive can be directed to staff at the Guildford Health Unit at (604) 587-4750.
- Additional questions and concerns regarding unimmunized staff attending school can be directed to the school principal, or to the Surrey School District at (604) 596-7733.

I hope you find this information helpful in providing your constituent with more information.

Please respond by end of day Friday Nov 23rd

Good Morning Andra & Lindsay,

As advised by Office of the Premier below, the following staff in your office are scheduled to receive the new **Windows 10 and Office 2016**.

s.17

Andra Hahn	Lenovo ThinkPad T460s
Nadia Hamdon	Lenovo ThinkPad T470s
Veronica.Harrison	Lenovo ThinkPad X1 Carbon

To do this upgrade, **the computer has to be in the office and on the network (wired) the weekend of November 30th**. PremTech teams will be onsite over the weekend doing this work but, if possible prior to commencing the upgrade, we would like to visit each person to backup their local user data if any, as well as document any configuration settings in order to make the upgrade transition as seamless as possible for you. The closer to Nov 30th would be best to do the backup in order to insure the most current data is captured, but anytime between the 26th – 30th would work, please advise which day would be best for your staff.

There is a program on your desktop that will backup your settings and data for a more seamless upgrade: **WTRP Migration tool**

Please ensure to run the WTRP tool before you leave for the weekend!

November 30th: please ensure to leave the PC in the office, turned on and logged off.

- On the following **Monday – December 3rd** PremTech team will be by in the morning to help configure mailboxes, printers etc. and resolve any other issues. **If you are not in that day, please contact prem.tech@gov.bc.ca to arrange a visit.**

Any questions or concerns please contact us @: prem.tech@gov.bc.ca

I just wanted to check in about the video from Minister Fleming. We met with the tech person running things on Monday night and he would like the video as soon as possible so he can make sure it works on his end. He also wanted me to ask if you could make sure it has a second or two of black both at the beginning and end of the video so it doesn't suddenly begin and end.

Is that doable on your end?

Thanks!

Thanks for checking Jessica.

We are sending regrets, unfortunately, for Minister Fleming to attend in person and would like to send a sincere thank you to Carol Bellringer for standing in. Minister Fleming is wondering if you would also like a video of him defending Washington Black - not sure if this will suit your event, but you can let me know? If so, how long would you like it to be?

Thank you,

Andra

Hi Andra,

We looked at the list of ticket purchasers and it doesn't look like any MLAs (Liberal or NDP) bought tickets. I think Carol Bellringer has been in touch with Minister Fleming directly about options, but if he still unable to make it, she has offered to stand in for him to defend *Washington Black*.

Thanks for letting us know and we will hope that it works out anyway, but understand if it does not.

Many thanks!

Jessica

Good morning Jessica,

Due to additional evening sittings until 9pm in the House on Monday evenings Minister Fleming will unfortunately not likely be able to attend and defend at the Giller Light Bash as he is not permitted to leave the Legislature prior to 9pm. I will confirm with you next week if these sittings are continuing, but in the mean time I would strongly advise finding someone to attend in his place. Minister sends his sincere regrets as he was looking forward to this event, Jessica, but again I will be in touch with you next week to confirm.

Hello Giller Light Defenders,

The Giller Prize committee announced the five shortlisted titles this morning!

<https://scotiabankgillerprize.ca/the-scotiabank-giller-prize-presents-its-2018-shortlist/>

Patrick deWitt for his novel *French Exit*, published by House of Anansi Press

Eric Dupont for his novel *Songs for the Cold of Heart*, translated by Peter McCambridge, published by QC Fiction, an imprint of Baraka Books

Esi Edugyan for her novel *Washington Black*, published by Patrick Crean Editions, an imprint of HarperCollins Canada

Sheila Heti for her novel *Motherhood*, published by Knopf Canada

Thea Lim for her novel *An Ocean of Minutes*, published by Viking Canada

Please have a look at each of the books and prioritize the nominees in order of preference (one through five) and send them back to me as soon as you can. I will then ensure that you get a copy of a book you would be keen to read in your hands as soon as possible.

If you have any questions, please let me know.

Many thanks!

Thank you for letting me know. If it happens to be available sooner that would be really great, otherwise I will expect it then. I know the AV tech at the Empress is really concerned about not having it far enough in advance to test it with his system and to prevent any potential issues with tech the night of.

Subject: RE: School Curriculum

Hi Ayesha,

Here are a few points that may be helpful in your response to your constituent:

- Implementing the new curriculum is a priority for our government as it was highlighted in the Minister of Education's mandate letter from the Premier
- The new curriculum is helping kids feel more connected and engaged with what they're studying so they have a better chance of success.
- The new K-9 curriculum and Grade 10 is being used presently throughout the province - teachers and students are beginning to experience the benefits of the personalized, flexible nature of the new curriculum.
- Grades 11 and 12 will be in place next year.

- What's new and improved in the curriculum is the hands-on learning, and the focus on collaboration, critical thinking and communication skills to help learners prepare for college, university and the work force.

- It provides teachers with flexibility while also retaining the high standards expected in foundational courses like Math, Science and English.
- We are building Indigenous content and perspectives into all grades and all subjects – from math and science to arts and social studies – and we've also added 17 Indigenous languages to classrooms.

This link is a good place to start <https://curriculum.gov.bc.ca/>

If he comes back with more specific questions regarding the curriculum, please feel welcome to follow back up with me.
