Hello John-Michael,

Veronica requested I work with you to set up a 30 min briefing with Minister Fleming, MLA Olsen and MLA Furstenau regarding September restarts. Currently I could make something work between 3:00pm and 5:00pm on Monday July 27 if there is a window in there that would work for MLA Furstenau and MLA Olsen.

Thanks!

"Before-and-after school care should be seen as part of a child's comprehensive educational experience, and this change supports childcare providers in that aspect of their work," said Sonia Furstenuau, MLA for Cowichan Valley and BC Green spokesperson for education. "When we begin to tap into the full potential of BC's underutilized educational infrastructure, our schools will be transformed into centres with the remarkable ability to transform not just our youth but entire communities."

Please let us know if you need anything else!

Thank you.

Hey Macon and Evan,

As discussed this morning, attached you will find an embargoed draft release on the School Age Child Care Strategy.

Veronica, if the Green Caucus chooses to contribute a quote to the release, when are you hoping to receive it by?

Cheers,

JM
