## Description:

SET A Total Students

Data showing who completed all of these courses: English 12/English First Peoples 12, Chemistry 12, Physics 12, Pre-calculus 12, and Calculus 12 (or equivalents);

SET A Students Above >=85%

Data showing who completed all of these courses: English 12/English First Peoples 12, Chemistry 12, Physics 12, Pre-calculus 12, and Calculus 12 (or equivalents) and received an 85% or higher combined average across these courses;

SET B Total Students

Data showing who completed all of these courses: English 12/English First Peoples 12, Chemistry 12, Physics 12, a

SET B Students Above >=85%

data showing who completed all of these courses: English 12/English First Peoples 12, Chemistry 12, Physics 12, a

SET C Total Students

Data showing who completed all of these courses: English 12/English First Peoples 12, Pre-calculus 12, Chemistry

SET C Students Above >=85%

Data showing who completed all of these courses: English 12/English First Peoples 12, Pre-calculus 12, Chemistry

SET D Students Above >=85%

Data showing who completed all of these courses: English 12/English First Peoples 12, Pre-calculus 12, Physics 12
