Dear Mr. Velestuk:

Re: South Poplar Traditional Elementary – School Protection Program (Project No. 128350)

I am pleased to advise that capital funding for up to \$213,694.36 has been approved for the property loss reported at South Poplar Traditional Elementary. This amount is based on the interim statement of damages provided by Roberta Flett, Senior Claims Examiner, Risk Management Branch, Ministry of Finance.

Enclosed is a Certificate of Approval (COA) in the amount of \$213,694.36, for the current School Protection Program claim (SPP File No. 244290). This amount will enable the School District to draw the necessary capital funds for the reimbursement of previously incurred expenses for the loss claim.

Once the Ministry has received the final statement of damages from the Ministry of Finance, the COA may be amended to cover the remainder of costs required to complete the project.

If there are any questions regarding this capital project or the COA, please feel free to contact Rob Drew, Regional Director, Major Projects Unit, by email at: Rob.Drew@gov.bc.ca or by phone at: (250) 893-1127.
