If the Ministry deems these records routinely releasable, please respond to this CFR as soon as possible with responsive records, or with the contact information of the individual who will facilitate access. IAO will release the records and/or the contact information of the individual who will facilitate access and close the request. Please contact IAO for advice regarding making this determination.

Please note: *If the request description excludes all email attachments, IAO will exclude all email attachments from the compiled records package. If the Ministry determines that there are particular email attachments that should be included in the records package, please save those as separate files on the FOI fileshare so they are not automatically excluded.*

• Copy all responsive records and the completed CFR to the folder
• Send an email to IAOFlexTeam@gov.bc.ca with the subject line "EML-2023-30055 - Peter Raskovsky - CFR Complete"

If you are having difficulties accessing the FOI Fileshare, please contact IAOFlexTeam@gov.bc.ca.

Reminder
FOIPPA obligates us to assist every applicant and to respond without delay, openly, accurately, and completely. If the public body must defend the adequacy of its search to the Information and Privacy Commissioner at Inquiry, those involved in searching for records may be required to sign affidavits confirming they have conducted an adequate search for relevant records.

I believe this new FOI request pertains more to EAED rather than LNG, but since it mentions LNG I thought I would share it with the LNGCIS division just to be safe. Please let me know if your divisions hold any responsive records.

Routine Release
Information that can be provided to the applicant without the need for an FOI request under FOIPPA can be "routinely released". If the Ministry deems these records routinely releasable, please respond to this CFR as soon as possible with responsive records, or with the contact information of the individual who will facilitate access. IAO will release the records and/or the contact information of the individual who will facilitate access and close the request. Please contact IAO for advice regarding making this determination.

Please note: *If the request description excludes all email attachments, IAO will exclude all email attachments from the compiled records package. If the Ministry determines that there are particular email attachments that should be included in the records package, please save those as separate files on the FOI fileshare so they are not automatically excluded.*

• The search and retrieval time are anticipated to exceed 3 hours;
• The volume of hard-copy records is anticipated to exceed 200 pages;
• Preparation time can reasonably be expected to exceed 15 minutes or more.

If so, please complete Sections 2 and 4 of the CFR, add it to the FOI Fileshare, and then email the IAOFlexTeam@gov.bc.ca using the subject line "EML-2023-30055 - Peter Raskovsky - Fee Estimate". For information regarding fee calculation, please refer to the standard Fee Estimate Guidelines.

Load Records to the FOI Fileshare
Please send your completed CFR form and responsive records to IAO via the FOI Fileshare, instead of by email.
• Create a new folder in the FOI Fileshare titled "EML-2023-30055 - Peter Raskovsky - Records"
• Copy all responsive records and the completed CFR to the folder
• Send an email to IAOFlexTeam@gov.bc.ca with the subject line "EML-2023-30055 - Peter Raskovsky - CFR Complete"

If you are having difficulties accessing the FOI Fileshare, please contact IAOFlexTeam@gov.bc.ca.

Reminder
FOIPPA obligates us to assist every applicant and to respond without delay, openly, accurately, and completely. If the public body must defend the adequacy of its search to the Information and Privacy Commissioner at Inquiry, those involved in searching for records may be required to sign affidavits confirming they have conducted an adequate search for relevant records.

Routine Release
Information that can be provided to the applicant without the need for an FOI request under FOIPPA can be "routinely released". If the Ministry deems these records routinely releasable, please respond to this CFR as soon as possible with responsive records, or with the contact information of the individual who will facilitate access. IAO will release the records and/or the contact information of the individual who will facilitate access and close the request. Please contact IAO for advice regarding making this determination.

Please note: *If the request description excludes all email attachments, IAO will exclude all email attachments from the compiled records package. If the Ministry determines that there are particular email attachments that should be included in the records package, please save those as separate files on the FOI fileshare so they are not automatically excluded.*

Fees
If any of the following apply, a fee estimate may be required:
• The search and retrieval time are anticipated to exceed 3 hours;
• The volume of hard-copy records is anticipated to exceed 200 pages;
• Preparation time can reasonably be expected to exceed 15 minutes or more.

If so, please complete Sections 2 and 4 of the CFR, add it to the FOI Fileshare, and then email the IAOFlexTeam@gov.bc.ca using the subject line "EML-2023-30055 - Peter Raskovsky - Fee Estimate". For information regarding fee calculation, please refer to the standard Fee Estimate Guidelines.

Load Records to the FOI Fileshare
Please send your completed CFR form and responsive records to IAO via the FOI Fileshare, instead of by email.
• Create a new folder in the FOI Fileshare titled "EML-2023-30055 - Peter Raskovsky - Records"
• Copy all responsive records and the completed CFR to the folder
• Send an email to IAOFlexTeam@gov.bc.ca with the subject line "EML-2023-30055 - Peter Raskovsky - CFR Complete"

If you are having difficulties accessing the FOI Fileshare, please contact IAOFlexTeam@gov.bc.ca.

Reminder
FOIPPA obligates us to assist every applicant and to respond without delay, openly, accurately, and completely. If the public body must defend the adequacy of its search to the Information and Privacy Commissioner at Inquiry, those involved in searching for records may be required to sign affidavits confirming they have conducted an adequate search for relevant records.

Hi Faith,

I see one loose email in the outside folder, the 30055 folder, from Amy. And in the EPB specific folder, it looks like one email from Scott (slightly different than the single Amy email), and one from Doug Foster (to Les and to Amy – could have been submitted by either of them).

I'd say you have them all but want to see what you are seeing so will come to your desk.

Thanks,
M.

Hi Michele.

I still do not see them dropped in the folder (I created a specific EPB subfolder).

I see 2 loose files that were not thrown into EPB's specific folder. I am assuming these are from Amy; however, she said she only dropped 1. I have gone ahead and placed these here: G:\ARCS_DIV_Admin\292_30_FOI \2023\EML_2023_30055\EPB_Records

Was she wanting both of these deposited or just 1?

Thank you,
Faith

Records Due: January 20, 2023

Please email Peter Raskovsky at IAOFlexTeam@gov.bc.ca for all questions regarding clarification, deadlines, routinely releasable records, or publicly available records.

Routine Release
Information that can be provided to the applicant without the need for an FOI request under FOIPPA can be "routinely released". If the Ministry deems these records routinely releasable, please respond to this CFR as soon as possible with responsive records, or with the contact information of the individual who will facilitate access. IAO will release the records and/or the contact information of the individual who will facilitate access and close the request. Please contact IAO for advice regarding making this determination.

Please note: *If the request description excludes all email attachments, IAO will exclude all email attachments from the compiled records package. If the Ministry determines that there are particular email attachments that should be included in the records package, please save those as separate files on the FOI fileshare so they are not automatically excluded.*

Fees
If any of the following apply, a fee estimate may be required:
• The search and retrieval time are anticipated to exceed 3 hours;
• The volume of hard-copy records is anticipated to exceed 200 pages;
• Preparation time can reasonably be expected to exceed 15 minutes or more.

If so, please complete Sections 2 and 4 of the CFR, add it to the FOI Fileshare, and then email the IAOFlexTeam@gov.bc.ca using the subject line "EML-2023-30055 - Peter Raskovsky - Fee Estimate". For information regarding fee calculation, please refer to the standard Fee Estimate Guidelines.

Load Records to the FOI Fileshare
Please send your completed CFR form and responsive records to IAO via the FOI Fileshare, instead of by email.
• Create a new folder in the FOI Fileshare titled "EML-2023-30055 - Peter Raskovsky - Records"
• Copy all responsive records and the completed CFR to the folder
• Send an email to IAOFlexTeam@gov.bc.ca with the subject line "EML-2023-30055 - Peter Raskovsky - CFR Complete"

If you are having difficulties accessing the FOI Fileshare, please contact IAOFlexTeam@gov.bc.ca.

Reminder
FOIPPA obligates us to assist every applicant and to respond without delay, openly, accurately, and completely. If the public body must defend the adequacy of its search to the Information and Privacy Commissioner at Inquiry, those involved in searching for records may be required to sign affidavits confirming they have conducted an adequate search for relevant records.

Routine Release
Information that can be provided to the applicant without the need for an FOI request under FOIPPA can be "routinely released". If the Ministry deems these records routinely releasable, please respond to this CFR as soon as possible with responsive records, or with the contact information of the individual who will facilitate access. IAO will release the records and/or the contact information of the individual who will facilitate access and close the request. Please contact IAO for advice regarding making this determination.

Please note: *If the request description excludes all email attachments, IAO will exclude all email attachments from the compiled records package. If the Ministry determines that there are particular email attachments that should be included in the records package, please save those as separate files on the FOI fileshare so they are not automatically excluded.*

If any of the following apply, a fee estimate may be required:
• The search and retrieval time are anticipated to exceed 3 hours;
• The volume of hard-copy records is anticipated to exceed 200 pages;
• Preparation time can reasonably be expected to exceed 15 minutes or more.

If so, please complete Sections 2 and 4 of the CFR, add it to the FOI Fileshare, and then email the IAOFlexTeam@gov.bc.ca using the subject line "EML-2023-30055 - Peter Raskovsky - Fee Estimate". For information regarding fee calculation, please refer to the standard Fee Estimate Guidelines.

Load Records to the FOI Fileshare
Please send your completed CFR form and responsive records to IAO via the FOI Fileshare, instead of by email.
• Create a new folder in the FOI Fileshare titled "EML-2023-30055 - Peter Raskovsky - Records"
• Copy all responsive records and the completed CFR to the folder
• Send an email to IAOFlexTeam@gov.bc.ca with the subject line "EML-2023-30055 - Peter Raskovsky - CFR Complete"

If you are having difficulties accessing the FOI Fileshare, please contact IAOFlexTeam@gov.bc.ca.

Reminder

FOIPPA obligates us to assist every applicant and to respond without delay, openly, accurately, and completely. If the public body must defend the adequacy of its search to the Information and Privacy Commissioner at Inquiry, those involved in searching for records may be required to sign affidavits confirming they have conducted an adequate search for relevant records.

Hi Faith,

I'll create a folder on the I Drive, but you're also welcome to create folders there too and send us a link to where you've placed them. If you take a look at the I Drive > @MEM.SHR > FOI Requests - (2017) CY+1y nil DE folder > Ministry of Energy, Mines and Low Carbon Innovation, you can see how everything is labelled and organized by year and FOI file number. You're welcome to create folders for EAED's files there under the FOI request.

Here is a folder though that I've created that you can use for this file in the meantime

I:\@MEM.SHR\FOI Requests - (2017) CY+1y nil DE\Ministry of Energy, Mines and Low Carbon Innovation\2023\EML-2023-30055\EAED Records

Hi Meghan,

It could be any of these three listed below as they are all requests with Media applicants that are now two weeks overdue:

EML-2023-30055 (waiting on records from EAED)
EML-2023-30083 (waiting on records from EAED)
EML-2023-30065 (OGD provided records late after originally indicated NRR, WIG still needs to provide harms)

I think this tweet is likely about 30055 and 30065 given the wording of the requests and when they were made. Please let me know if there is any additional information I can provide.

Thank you,
