**Subject:** Supplying Large Industrial Loads

Hi Andrew

Attached is the BN on large new power loads that Keith Anderson used to brief the BCH Task Force in October. We have this topic on the agenda for the BCH Monthly Briefing November 22. Just wanted to flag that Andrea Mercer thought this would be a good item for the Premier's information, and she asked us to prepare a shorter version for that purpose. The PO has now requested a briefing for the Premier. We have asked that it occur after we have had a chance to go over this issue with MJO.

I am not sure which BN BCH will provide for Nov 22, but I would recommend this more comprehensive one prepared for the TF for the Minister's review.

Les
