Thanks Meghan,

No worries - just want to check, we are talking about the call with the Premier - correct?

If so, it will be just Datuk Mohd Anuar Taib, making the call directly, so it will be good if we have a number to call directly? If not, we are happy to use any conference call line that you may have.

Datuk Anuar is the Chair of the Board of PNW, and also EVP and CEO of Upstream for PETRONAS.

Regards

Tess

Good morning Tessa,

I wanted to touch base with you regarding the phone call that will be taking place Tuesday morning. Dave had suggested 8:30 or 9am. Can you please confirm if either of those times or another time works for the people in Malaysia? Thanks,
