Darren, I thought we answered Mr. Mackin yesterday to say the Ministers were not attending?

In regards to me, I have no role in this conference or with the company. The company was formed in late June a couple of weeks before I came here on July 18. When I accepted the appointment here, I resigned from the company as the record shows. GPCE can decide if you want to respond regarding me but I would say it is not relevant.

Lori

Hello,

Have Ministers Mungall and Fraser decided not to attend the Oct. 27 Composite Public Affairs "Politics, Policies and Priorities" conference at the Vancouver Convention Centre?

The website has been altered and they don't appear on it anymore.

I am particularly interested in comment from you, Ms. Winstanley, as you were instrumental in the recent incorporation of the company behind this conference.

Sincerely,

Bob Mackin

The answer is being sent if not already. I'll go check with Suntanu. We just needed to confirm with IRR that we could/should mention their Minister also.
