Hi, Scott!

As per your request earlier today, please find attached the information that the BC Oil and Gas Commission submits annually to the ALC as part of their Delegation Agreement (disregard the date... it automatically updates when you open the document - I can confirm it has been submitted).

I am also attaching a powerpoint with a few maps that might help. I think this might be what you're looking for.

Let me know please if you need more detail or have any questions.

Regards,

Ines

FYI I sent this package to DM/ADM here at EMPR. Materials attached are from AGRI communications.
I'll send finals as soon as they are provided to me.
