Do you have a moment

Yes

I'm in a training session but can
step out

Still embargoed

Ok

I will let you know when it's not

Delivered

Are you able to share info on what exactly tomorrow's PM/Premier announcement is? If it's to help LNG I'd like to support.

It's an upstream electrification announcement/MOU. It's still embargoed and I don't have a release but I can send it to you tomorrow morning when I receive it.

Thanks, Melissa - much appreciated.
