To: *BMO Travel cardholders*

On the weekend of July 12, 2019, BMO will be upgrading their card processing platform and rolling out new features and changes to the card program.

**BMO Spend Dynamics online will be unavailable between Saturday July 13th, 2019 @ 9pm and Monday July 15th @ 9pm.**

Please review the attached documents which outline the updates:

- 1) **Guidebook** with all of the changes to the Travel card program. Please note there are changes noted in this guidebook that apply to the BMO purchase card and BTA, please disregard.
- 2) **Corporate Travel Entertainment Program Insurance Certificate** – This is a new Certificate of Insurance for all Travel cardholders.

There were a few questions that BMO has answered:

Q: Will new and existing BMO Travel cardholders have this new insurance?

A: Yes, effective July 12/19, the current travel insurance changes to the “Corporate Travel & Entertainment Program” Insurance

Q: Will cardholders be using Mobile Wallets?

A: This is in the works at BMO and they are exploring what the implications are for the Province of BC.

Q: For the new PIN reset feature by phone, what questions will BMO ask the cardholder to confirm identity?

A:

- Cardholders full name,
- Name of Corporation and Activation code (this is the information you would have used to activate your card)
- Your address on file with BMO (where you receive your monthly statements)

Q: How does a cardholder go about making a claim with the new Insurance?

A: Cardholders will phone the Insurance provider – phone number on the back of the card. They will assist with processing the claim and if the claim is valid, they would apply the credit back to your card/account.

Let me know if you have any further questions.

Thank You.

Hi Kate,

We're delighted to have the Minister join us. I've already mentioned to her that the meeting is scheduled to run from 1 to 4. She said she'll take a morning flight. Depending on her arrival time we should be able to fit a Powerex visit in before the PAB meeting. Let's plan for meeting at Park Place lobby, 666 Burrard st. between 11 and 11:30. We can meet with Powerex staff over a light lunch, tour the trade floor and then walk back to the Hydro building.

Thanks

Ken

On flights operated by Air Canada, Air Canada Rouge or Air Canada Express, you may carry with you in the cabin 1 standard item (max. size: 23 x 40 x 55 cm [9 x 15.5 x 21.5 in]) and 1 personal item (max. size: 16 x 33 x 43 cm [6 x 13 x 17 in]). Your carry-on baggage must be light enough that you can store it in the overhead bin unassisted. See our complete carry-on baggage policy.

## Checked Baggage

Please see below for details on the bags you plan on checking at the baggage counter.

**Executive Summary**

**Energy:**

**NA**

**Mining:**

**The Vancouver Sun and other outlets** report that a long-running dispute over **Taseko Mines's** New **Prosperity** mine proposal came to the forefront again Tuesday at a road junction some 55 kilometres southwest of Williams Lake. Work crews that were headed to begin geotechnical testing at the proposal site, about 125 kilometres from the town, were met by chiefs and members of the Tsilhqot'in First Nations assembled for a "peaceful action" to stop them. "It's a blockade to turn **Taseko Mines** around and I have got reports they have turned around," said Chief Jimmy Lulua of the Xen'i Gwet'in First Nation, one of six First Nations in the Tsilhqot'in National Government.

**Petroleum Resources:**

**StarMetro and other outlets** report that as British Columbia touts its commitment to lowering carbon emissions, the province is also a leader in liquified natural gas. A new Global Energy Monitor report has called that a contradiction undermining global efforts to stop climate change. Responding to the report's conclusions, the regional director of the Pembina Institute in B.C. - a non-profit that supports **clean energy** - agreed that Canada cannot compromise its future with a so-called mad dash to gas.
