Thanks for the note Dave and happy to set this up Doug. Let me know when you and the Minister may be available. It is challenging getting all the leaders present but we can try. Looking to schedule more Info sessions towards the end of the month of Feb in Vancouver and we are hosting a meeting of FN's leaders across the north in PG on the 29th. But only two FNCI leaders will be present.

Let me know if you would like any briefing materials. We have a lot of information and the fncionline.com website is live but password protected for a few more days. Dave and Simon and Lloyd have much of the info as well.

Incidentally, Lax Kw'alaams is fully on board under Mayor Reece.

Regards to All,

Alex

Alex, I was talking to Doug this morning re FNCI and the great work they are doing. He is supportive and would like to get caught up. We discussed a briefing for him and his Minister on all that you have been up to and where you are headed. I think that's a great idea and will leave to you to work with him on that. Let me know if you need anything from EMPR. s.16
Thanks.

Chiefs and President are notified. Let me know when you know what the time options are. Harold will have to call in and I am not sure about Garry yet.

Further to previous. President Clayton will be in PG on Tuesday. We might be able to have the other leaders phone in but perhaps we can find another time when both Eva and Crystal are there.

Alex,

Minister Ralston is available to meet with the leaders at the Forum 2-230pm on Tuesday. Can you please see if the chiefs are available?

We still need to find a room and will let you know. Analise, can you please see if there may be a room at the Civic Centre? I'm not sure who the admin lead would be.

Thanks,
