Subject: draft Itinerary

Hi Brian -

Thank you for your call. To date, based on the information Bala has provided, this is the draft working itinerary.

For ease, I've marked "Minister?" on the right hand side column as areas for you to confirm if the Minister will be involved or not. Most of the activity involving the Minister seems to occur on April 20 and April 21st. Items marked "Ministry of Finance" are areas we understand your office is working on currently.

For planning purposes, will MDJ have his own vehicle or will he drive with the Sultan?

FYI: We (Lucy Lobmeier and I) are speaking with the Aviation contacts on Wednesday morning to confirm the details on April 21 and April 22.

We are also in contact with Bala and MIT staff daily.

Lucy is also in contact with the Federal Government at this time.

I hope this information is helpful and I look forward to hearing from you.

NOTE: Any information you can provide is most welcome. Please let me know and I'll update the itinerary accordingly.

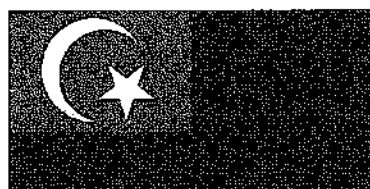

Thanks Brian,

Frances
