Micheal – last week MNL briefing the Okanagan MLA's about the cherry insurance and Tree Fruit Replant Program. The BC Fruit Grower's Association is requesting additional funding (likely split 50-50 as in 15/16 with BCFGa) to address the high demand. MNL was going to speak to MDJ. DM of Finance is likely inquiring what all the is about.

Here are some notes. I haven't reached out to Michael, but can do. I doubt he knows about it though given that he didn't raise anything about it on our call yesterday.

- Program was announced in Nov 2014. The intent was to support producers in planting higher value fruit trees (e.g. apples, cherries). s.12,s.13
- s.12,s.13
-

Let me know if there's anything else I can provide.
